

Help PTK Collect Donations for

PURSES OF HOPE

What is Purse of Hope?

Women going into shelters often need basic fundamental items that we take for granted - personal hygiene products, toiletries, and yes, purses! Help us fill purses with basic, necessary items. We also are in need of items for kids, because often women must bring their children when fleeing bad situations.

What is needed most?

Shampoo/conditioner	Tooth brushes/paste	Deodorant
Combs or brushes	Lotions	Soaps
Make-up	Tampons/pads	Tissues/wipes
Q-tips	Crayons/coloring books	Puzzles
Bubbles	Books	

Monetary donations are also extremely helpful, as they allow us to purchase more essentials. Please share this information with your family, friends, and coworkers. Remember that these women walk out of their homes with only the clothes they are wearing to quickly escape abusive situations. Please help! Thank you!

Item donations can be placed in the donation box outside of Becca Werland's office through the end of March, or you can drop donations off at any of these places:
