

WALK FOR ASHLEY

Phi Theta Kappa - Nu Delta Chapter

Wednesday, October 17th, 2018

Please join us on a walk to commemorate the journey of Ashley McCloud from Spoon River College to Western Illinois University.

Ashley McCloud was an active Phi Theta Kappa, Nu Delta chapter member who graduated from Spoon River College and transferred to Western Illinois University. Ashley was a respected student and a dear friend to many during her life. A scholarship has been established in Ashley's name to honor her life and her commitment to education. This scholarship is awarded to deserving students of Spoon River College at the Macomb Campus.

On Wednesday, October 17th, join us as we walk from Spoon River College, 208 South Johnson, to the steps of Sherman Hall at 1 University Circle on the WIU campus. Step off is at 4:00 pm. This is just a leisurely stroll, not a competition, but a wonderful way to get your steps for the day.

Please donate and walk with us. A student suggested donation of \$5 and an adult suggested donation of \$20 is appreciated. All donations benefit the Ashley McCloud Scholarship.
