CONSTITUTION

TEST SLATED

College graduates are required to have a certificate of the test on the Constitution of the U.S. and the Illinois Constitution, the Declaration of Independence, and the American Flag Code, as announced by the administrators of student services.

Dean Jurwitz said the test will be administered at 3 p.m. Nov. 17, in Searle Hall, room 218.

Students who intend to take the exam at that time are asked to register for the test at the information desk on the first floor of Dahn Hall before Nov. 16. To prepare for the test, which consists of 100 multiple-choice questions, students may go to the college library in Eichel Hall and obtain copies of the documents to study.

Percy Wins Straw Vote

Chuck Percy won three to one over incumbent Senator Paul Douglas in a straw vote conducted Nov. 1 by the Lancer staff. Canton College students and faculty gave Percy 175 votes to 61 for Douglas. The vote was conducted between 9:00 A.M. and 3:00 P.M. one week preceding the election.

"We’re very gratified by the results which parallel those on most college campuses in downstate Illinois," said John F. Elling of the state headquarters of Percy for Senate in Chicago.

Informed by the Lancer of the outcome of the vote in Canton College, the spokesman for Percy immediately announced a meeting of students and members of the Young Republican club, who were invited to board the "Republican Special" train when it stopped here Oct. 25. Percy spoke here briefly and again later in Peoria where some Canton YMCA members also attended a YWCA dance.

Percy thanked Canton students for the work they have been doing in Fulton County to help his campaign.

Percy and the Young Republican club have more than 30 members present in Peoria for the Percy rally, more than any other Illinois college club, according to Alan Thoomey, a member of the local club.

Interest in this year’s election on the part of Canton college students is indicated by a statement that a movement may arise to lower the voting age in Illinois to 18. A poll of over 100 Canton College students showed them in favor of lowering the voting age by a three to one margin.

A few students thought the minimum age should be 18. A few others were undecided and about the same number, several of them veterans of the Korean or Viet Nam conflicts, said they are opposed to any change in the present law.

Lancer observers noted that although many college students believe they should have the right to vote at 18 or 19, only about one-fourth of the student body participated in the straw balloting.

Percy, Thoomey and students in Canton College and the Young Republican club have more than 30 members present in Peoria for the Percy rally, more than any other Illinois college club, according to Alan Thoomey, a member of the local club.

Dear Editor:

What is wrong with the Canton Community College students if they cannot see any group of students with such a large group of students that is so interested in the activities that the Student Senate puts on for the student body?

Just recently, Canton College sponsored a spring concert for the student body. But how many of our students attended? Not very many. I am disappointed with the students of Canton College for not showing any interest in this and other college sponsored activities.

I want to see larger concerts and I thought he was a great show. I hope in the future I will see more Canton College students representing our student body at our college sponsored activities.

Let's get with it students and back our college functions.

-- C.J. (name on file)

Dear Editor:

There has been some feeling around the school this year that I think should be brought to the attention of the students of Canton College.

True, this year has been much finer trying the idea of our own college campus, but one aspect of it was better last year. This is dealing with Student Senate elections held this year.

FINANCIAL FACTS

Despite the nation's booming economy, more than one-third of American families have no savings, investments, or reserve funds, according to a recent report issued by the University of Michigan Survey Research Center.

Dean Hearl Bishop looks over previous issues of the Lancer. "We are all very pleased with the college paper," he said. "I will be happy to do anything I can to help the college paper," he added that he is pleased to learn copies of the Lancer are being sent to area high schools.

First home game Dec. will change the picture... Crusaders vs. Lincoln Jr. College
Rod Heinez is spotlighted as he delivers the first negative view for the debating team during a demonstration debate in a CCC classroom.

DEBATERS TRAVEL TO BRADLEY

By Dan Crafton

Carroll College debaters took part Oct. 29 in their first tournament of the year and made a creditable showing, according to their coach, Thomas Zieman.

Competing in a tourney which had 15 teams from Illinois, Indiana and Iowa, the Crawdads were housed in the time being and affirmative teams each won two and lost two debates.

The negative team defeated Blackhawk and Bradley C teams, while the affirmative team downed EV and Bradley A teams.

Representing Carroll were Bob Mobley and Mike Myers, affirmative, and Rod Heinez and Dan Crafton, negative. The topic this year was "Resolved: That the United States should substantially reduce its foreign policy commitments."

"The tournament consisted of four debates for each team. Held at Bradley University, the events began at 8:30 a.m. and continued through 6 p.m., with one hour out for lunch.

Computing percentages, Coach Zieman figures that the Canton negative team did as well as Bradley C, Blackhawk of Moline, Knox, Parsons and the University of Illinois C.

In the non-tournament division, the same team did better than in the non-tournament division of the Illinois Valley at LaSalle-Peru.

The debate squad is preparing for a second scheduled contest to be held this month.

IT AIN'T FUNNY

Centralia — For the past 25 years the students of the Centralia Junior College and the Centralia Township High School were merged onto one school campus. The young Kasheka College has inherited many of the problems well known to CJC.

Each student has his own set of problems in daily college routine. This is especially true over a chin-high stack of coats, textbooks, notebooks and laboratory manuals into the reading room wondering, "Where have all the lockers gone?"

An average student often leaves the completed balls inch-by-inch, basted by the shoulder bags and stabilized by pencil points. The more experienced have carefully plotted their path detouring outside in search of a quicker route to the next classroom crowded areas.

Some find the fresh air and sunshine, along with the mud, rains, and chilling winds.

The most physically fit may find a six-block walk between classes challenging in the ten minutes allotted. Even the tall but thin have a difficult task heeding the knee-high grade-school water fountains.

Faculty, like the students, are faced with problems. A multi-level office is not as modern as one might expect when placed on the steps of the first floor hall of "A" building. Teachers must adapt to cramped classrooms. Yield to the reduced height of elementary blackboards.

Must shift from room to room.

U.S. Senator Paul Douglas (at left) addresses a crowd in front of City Hall, Peoria.

The Young Republican Club of Canton Community College is fast becoming one of the strongest political clubs in Illinois. Presently there are 132 students who are devoting some of their time to becoming better educated on government policies and problems. The Young Republicans are under the leadership of W. Harrison Eller, who teaches an array of business courses at Canton College. He is a devoted Republican, who lectures on many phases of local and federal political problems and is to be congratulated on his work and leadership.

The YR’s are headed by Steve Blust, president; Richard Dippens, vice president; Robert Patton, secretary; and Richard Seifeld, treasurer. Also holding offices are Jesse Dickson, membership chairman, and ALS Dickson, publicity chairman.

The YR’s have invited many Republican dignitaries and rallies, such as a dinner for Paul Findley, candidate for Representative in Congress, at Quincy; a $500 plate dinner for Senator Hillard K. Larson, with guest speakers: Senator Russell Belford, majority leader of the State Senate, Harry Howe, State Representative and candidate for State Treasurer, and Ray Page, candidate for Superintendent of Public Instruction; a barbecue at 9:30 a.m. for Tom Ballacks, candidate for Representative in Congress; a coffee for Ballacks at Elks Hotel, Canton; a rally for Ray Page at Western University, Macomb, with Richard M. Nixon as the guest speaker; and a rally at Bloomingdale and Pecora, Illinois, for Tom Ballacks at Elks Hotel, with Richard M. Nixon as the guest speaker. A rally was at Williamsfield for Tom Ballacks and also at Elks Hotel at State Normal, for Ray Page.

By attending these Republican events, the YR’s have had a chance to meet and talk to the men of Illinois Republican candidates and incumbents up for election in Illinois.

The YR’s were given their assistance to the GOP by canvassing precincts in Canton, in order to audit the local townpeople’s party affiliation, and to make sure they were voting Republican.

Truly Burns, Cindy Bell, and other YR’s have been working alongside the Republican candidates handing out literature at rallies, dinners and along the sidewalks of Canton. The YR’s have also been working after classes in the Republican headquarters answering questions, addressing and mailing literature.

The future agenda of the YR’s show signs of being both educational and social in nature. The Republicans will be sharing their ideas and ways of making Illinois a better place to live.

The future agenda will be available for the Young Republican Club for details of membership can be obtained from any YR member.

Tom Ballacks, GOP candidate for Congressman, meets Steve Blust, president of Canton College YR’s during a rally staged by the organization.

LANCER
ADDs
WANT AD SECTION

The Lancer, as a service to its readers, will be publishing a Want Ad section in the next edition. Students desiring to advertise used books, musical instruments, cars or other items, are invited to write out an ad of 20 words or less, place the ad in an envelope with a quarter and deposit the envelope in the Lancer box in the office of the newspaper.

(Ads longer than 20 words cost additional for 5 words or less. Your ad will be read by 900 to 1,700 people. Where else could you get such a bargain for 25 cents?)

Deadlines for the next few issues are: Nov. 14 (for Nov. 20 issue); Nov. 28 (for Dec. 5 issue); Dec. 13 (for Dec. 22 issue).

CAUCAHAN
ATTENDS
CONFERENCE

Cyril C. Cavanagh of Canton College’s social science department was named to the executive committee of the 1961 Statewide conference of Political Scientists at Urbana campus of the University of Illinois.

Topics discussed during the conference were concerned with the relationship of research to undergraduate teaching. The questions asked here concern the role or non-role of current research in political science courses, the feasibility of utilizing undergraduate students as participants in faculty research projects, and whether the stress on research was harmful or helpful to the teaching.

The afternoon session was devoted to reports from academic and governmental commissions which were appointed 18 months ago to study the relations of political speeches over Radio Station WXYD and will attend a State YR convention in Chicago at Olney, in November, in April.

Advising Day

Subjects will not be in session Thursday, Nov. 17, set aside for Advising Day, according to Dean Heart Bishop.

A list of faculty members serving as advisers and the rooms in which they will be found with their covers is printed below. It is the responsibility of each student to arrange with his adviser the time for his conference, college administrators have announced.

During the brief conference each student will be given two forms for filling out a tentative schedule for second semester courses. His adviser will also tell him what courses will be available.

Between Nov. 17 and Dec. 9 each student will be expected to make out a tentative schedule of courses and have this tentative schedule approved by his adviser. Only before Dec. 9, the student will be given a coupon to register. The coupon will be submitted at the time of registration.

The student who does not know who his adviser is may contact Dean Heart Bishop.

Room assignments for Advising Day, Nov. 17, are:

D-202: Cavanagh; D-203: Co-By; D-204: Geoghegan; S-104; Goyers; D-201, Hedden; D-202: Harron; D-203; Jackson; D-204: Kiddie; D-205: Kowles; K-110; Laguerpach; K-103; Lane; K-107; Patterson; K-105: Peters; K-116: Smart; K-111; Switzer; K-112; Taylor;

The Sigma Alpha Theta sorority held its initiation banquet at Ibids Pansy on Sunday, Oct. 23, at 6:30 p.m.

After the meal, the girls presen ted Miss Glenda Myers, presi dent, with a large decorated cake. In honor of her birthday, Miss Myers then introduced the sorority's new advisors, Mrs. Charlotte Phillips and Mrs. Janet Fills, and presented the plagues with aw ards.

The awards given were: the best stuffed goalie brode, Miss Ruth Ballantine; the best decorated goalie brode, Miss Betty Slaughter; the most beautiful hair, Miss Beul Burger; the most beautiful eyes, Miss Debbi Garrett; the most beautiful legs, Miss Nancy Summer; the most pleasant smile, Miss Ruth Ballantine; the most pleasant, Miss Beul Burger; the most humorous, Miss Cabi Hilliard; the best photographer, Miss Sue Hoor; the most congenial, Miss Betty Slaughter; the best teacher of students, Miss Joyce McCann; the best sport, Miss Pat Eber, the most likely to succeed, Miss Pat Strele; and the hostess, Miss Dee Smith.

The banquet was concluded with a candlelight pinning ceremony during which the candidates received a sorority pin as the actives explained the meanings of the sorority's pledge, the pin, and the colors.

The officers of Sigma Alpha Thetas are: Miss Glenda Myers, presi dent; Miss Glenda Eber, vice- president; Miss Helen Strele, sec re tary; Miss Cindy Hutches; treasurer, Miss Dee Smith; chaplain; Miss Dee Smith; and reporter, Miss Betty Slaughter.

Sigs Collect $111 for MD

Sigma Alpha Sigma's No pledges collect ed $111 for this year's Muscular Dystrophy fund-raising campaign, a member of the fraternity reports.

The group and a group of stu dent nurses are also planning to award a portable television set during the Muscular Dystrophy campaign.

The Pledge of Fraternity were recently honored guests at a din ner held in the Southern Recre tion, Karl Taylor, instructor in Canton College's English depart ment, was guest speaker.

At the fraternity's Halloween party, held at 305 W. Pine St., first-year pledges the best costumed pair went to Ed McManus and Jan Hefner.

OFFICE COLLEGES OPEN

NEUMAN CLUB

The Canton Community College Neuman Club is open for the year.

The Neuman Club will be available to all Catholic students and interested non-Catholic students.

Membership will be available to any student who desires to associate with the Neuman Club. The Neuman Center will be open every Thursday from 6 to 10 p.m. for all members, and those interested in joining.

Refreshments will be available along with recreational facilities.

There will be a 5 p.m. Mass offered on Wednesday evening before the center is opened.

ZETZ CHI SPONSORS BAKE SALE

Zeta Chi members went 'brick or treat' for $1500 for the 1969-70 Color Week fund raising.

The group, sponsored a bake sale at Tempos Nov. 1, is planning to have a dance the evening of Nov. 15, the day before Advising Day, at a time to be announced.

Open Two Year ROTC Program

URBANA—Col. Lawrence H. Ballyn, professor of Air Force Aerospace Studies, has opened application for the two-year AFROTC commissioning program now available here.

Of primary concern to students in junior college, and sophomores at a four-year college, the new two-year feature also permits graduate students to compete for a commission in the Air Force.

A new six-week Field Training Course substitutes for the first two years of the four-year AFROTC program as a prerequisite for entry. There is no other summer camp requirement.

The six-week training course is designed to compress the basic course requirements of the four-year program, so that students entering the program will do so on a par with their contemporaries who have completed the basic course.

Applications are now being accepted, according to Col. Ballyn. The University AFROTC detachment has the responsibility for processing all applicants in the central Illinois area, regardless of which four-year institution the student is planning to attend.

Students applying for the two-year program must qualify on the Air Force Officer Qualifying Test, pass a medical examination, appear before an interview board composed of senior Air Force officers of the AFROTC, and successfully complete the new six-week Field Training Course.

Those who attend the Field Training will receive travel pay to and from the Air Force base designated to conduct the training and will receive approximately $50 weekly in the course. Once enrolled, cadre receive $40 per month as a retention pay while in the program.

The Field Training Courses will be conducted at Maxwell Air Base, Montgomery, Ala., and other bases yet to be named. Maxwell AFB is the home of Air University and the Air Force Professional Schools, the Air War College, Air Command and Staff College, in the Squadron Officer's School.

Interested students are urged to contact the University AFROTC as soon as possible to begin the necessary testing and application procedures.

CRUSADER SCHEDULE

The official 1966-67 Crusader basketball schedule, as drawn up by Coach Jim Heeren, is printed below.

FRUIT FOR THOUGHT

Only the grapes grown near Jerez de la Frontera, in Spain, go into famous Spanish Sherry, which derives its name from the area.
Basketball

Season Opens

Nov. 19

By Jim Butler
Coach Jim Heereen takes a small, inexperienced but speedy team to Vincennes, Ind., Nov. 19, for the opening game of the 1964-65 season.

Asked to identify his starting lineup, Coach Heereen said he expects to go with John Tres-ney of Princeville, at center position; Sid Goree, Chicago, at guard; Bernie Coven, Galena, at the other guard spot; Al Ford, Milwaukee, forward; Bob Martin, Rushville, or John Davis, Peoria Manual, at the fifth position.

Expected to see action also are Gary Mayers, Al Hartly, and Fred Smith.

The season's opener is expected to be a tough one with Vincennes owning a tough team. The Indians were the 1965 National Junior College Athletic Association title, the only junior college team ever to win the NJCAA.

The Crusaders hope to make up for a skirmish draw-in with speed and a strong defense.

The 6-3 forward from Milwaukee, Al Ford, in his first year at CCC, already has won praise from the coaching staff. Coach Heereen says Ford is the second coming of "Boots" the best forward CCC has ever had.

The coach is also pleased with the success of some of last year's freshmen. Herb Miller is scheduled to start for the University of Wisconsin under Coach Jim Kunda. Miller is the first CCC alum ever to start for a Big Ten team.

It has also been reported that John Phillips will be starting at Colorado State and that Cop Num will be one of the top guard reserves.

Fraternity Opens Doors To Anyone

STANFORD, Calif. — Is a fraternity a fraternity if it doesn’t use the blackball?

In a surprise move, Beta Chi fraternity at Stanford University voted to abolish its selective system of choosing new members. Radical breaking from traditional procedure, the fraternity opened its doors to anyone connected with the university, including women, faculty members, graduate students and administrators.

On October 17, over two-thirds of the house’s 35 members rejected selection procedures currently employed by all Stanford fraternities. Members instructed their executive committee to draw up plans allowing any interested member of the Stanford community to become a member of Beta Chi. In the house’s activities and payment of dues were the only stipulated prerequisites to membership.

The Interfraternity Council president said, “We welcome Beta Chi’s move with open arms. We know they’ve done a lot of serious thinking about this.”

Dick Williams, president of Beta Chi, expressed dissatisfaction with the Council. He said that he would stay in IFSC for the quarter term only to see whether other member houses were sincere in their recently professed desire to remove emphasis on education among the campus fraternities.

Williams said Beta Chi’s move was in protest against the blacklist system and exclusive selectivity. In the fraternity programs, he added, can be good enough to attract new members.

Fraternity, including Beta Chi, have traditionally been race-conscious, Williams said, and the house’s intention now is to become a greater part in the university community.

Williams cited recent talks at Beta Chi, led by a U.S. labor at-tache stationed in Venezuela, a history professor, and a dean of students, as evidence of the fraternity’s efforts to emphasize cultural and intellectual activities.

Of the other 14 fraternity presidents at Stanford, 16 stated that Beta Chi’s revised member selection policy would not be a threat to the fraternity system. They added, however, that their houses would not consider such a move in the near future.

Although some of the presidents admired the move, others criticized Beta Chi as being either too farsighted or too progressive. Several said that Beta Chi was no longer a real fraternity, but a dormitory with Greek letters.

Williams blamed fraternities’ resistance to change on an over-reliance on national fraternity leadership.

Beta Chi, formerly Beta Chi chapter of Sigma Nu fraternity, went local in 1962.

Mrs. Myrna Harms, dean of women at Canton College, confers with students during office hours in Dahm Hall.

By Willa Stroman
Canton Community College proudly announces a charming addition to its faculty family--Mrs. Myrna Harms, the attractive East Peoria housewife teacher of psychology and orientation classes at CCC.

Mrs. Harms received her bachelor's degree from the University of Illinois. She worked her way through school working in the liberal arts office and by "being the best waitress the U. of I. had!" The two jobs accounted for 44 hours of the English and speech major's week. She received her master's degree in counseling and psychology from Bradley University.

After four years of college and marriage, Mrs. Harms joined the Navy because her husband was going to be sent overseas. The fact that she was involved in public relations in Chicago and Washington, D.C., also represented 100 girls in the disciplinary action for the Navy. Mrs. Harms told us "this was a unique and fascinating experience in itself."

Mrs. Harms and her husband, George, a Peoria florist, are the parents of three children, Pat, 20, a psychology major at Kalamazoo College, is spending her junior year abroad studying in France. Dee, 18, is a sophomore art major at Drake University. George II, a sophomore at East Peoria High School, spent nine months traveling around the world last year.

Fifteen years ago Mrs. Harms ran for and was elected to the Peoria City Council. As the only woman ever to serve on the Council she topped the ticket in the number of voters she received. Also, four articles written by this energetic young woman were published in national magazines.

In her eighth year of teaching, Mrs. Harms finds time to enjoy bridge, traveling, reading, and politics. She also holds her pilot license.

With a smile, this personable addition to Canton College summarizes her whole outlook on life--"most of all, I like people."

U. OF I. STAGES HOMECOMING

The University of Illinois held its 1966-67 homecoming activities the week end of Oct. 21-22.

Students staged two dances Friday night and two Saturday night. Saturday afternoon the Illini went down to defeat to the Stanford Indians of California by a score of 8-3.

The theme of this year's homecoming was S.N.A.P.U., Situation Normal All Pood Up. The queen who reigned over the festivities at Mill Pond was Carol Kristas, a junior.

Trophies were awarded for best decorations and best finiss on Saturday night.

BUILDING TIPS

You can match your fireplace, or provide a room's focal point with a stone "backdrop," or room divider. A new idea in interior decoration, are thin sheets of pre-cut building stone which can be installed on a surface with a screwdriver.

UNUSUAL NEW BOOK

Gilbert Tauber, who with Samuel Kaplan authored The New York City Handbook (Doubliday, $1.95), relaxes with a good book. The relaxation is well-earned, for during three years of research on the book, Mr. Tauber alone wrote out two cars and walked over three thousand miles. The New York City Handbook, a guide for natives and newcomers, reflects the authors' belief that New York is a fine place to visit, but it's a great place to live.
