Cheryl A. Hoffman
Department of Nursing
Phone: (309) 649-6227

Dear Prospective Nursing Student:

Thank you for your interest in the Nursing Program at Spoon River College. Enclosed you will find several application documents: current SRC Nursing Admissions Handbook to assist you with the nursing admissions process, SRC Application, SRC Nursing Program Application, Nursing Pre-Entrance Testing Schedule, Physical and Immunization form, Hepatitis B Waiver form, and Evaluation of College Transcript form.

Upon acceptance into the nursing program, a criminal background check will be necessary in order to meet the clinical requirements. A form and explanation will be sent to you at that time.

Admission into the Spoon River College nursing program is competitive. Please refer to the current Spoon River College Nursing Admissions Handbook for a checklist of steps that **you are required to complete** for consideration of acceptance into the nursing program.

After reading the attached documents, if you have any questions, please contact either your general advisor at any SRC location or the Nursing Department's office assistant, Teresa Welch, at teresa.welch@src.edu or (309) 649-6227. They will be happy to assist you.

Sincerely,

Cheryl Hoffman
Associate Dean of Nursing
