The United States Department of Justice, Immigration and Naturalization Service requires Spoon River College to determine your financial eligibility. An I-20 (for the issuance of a visa) cannot be issued until this form is completed to our satisfaction and returned to this office.

Refer to the student budget to determine the amount of money you will need for study. You are required to certify that you will have available funds for the first year of study at Spoon River College and you should also indicate how you would meet your expenses for your second year. In computing expenses, remember Student (F-1) visa holders will not be legally authorized to work, except in extraordinary circumstances. Therefore, you should not expect part-time or summer employment to be a means of support.

**STUDENT RESPONSIBILITIES: (Please read and sign below)**

2. The student is ultimately responsible for securing all his/her financial resources.

4. The student must provide updated information on changes and/or additions regarding financial resources to Spoon River College.
5. The student is solely responsible for maintaining accurate local and billing addresses while attending Spoon River College.
