

GENERAL EDUCATION CORE
Associate of Arts & Science Transfer Degree

The following is a list of courses that satisfy the Illinois Articulation Initiative (IAI) General Education Core requirements. The complete General Education Core will allow students to transfer to any of the participating public and private colleges and universities in Illinois and have all lower division general education requirements satisfied. Students transferring without the General Education Core may need to complete different general education requirements at the institution where they transfer. Students must meet the prerequisites for each course. For more information regarding IAI, check the website at www.iTransfer.org.
