Tuition and fees are subject to change through actions of the Spoon River College Board of Trustees or by the State of Illinois formula used to calculate out-of-district fees. Student fees support student government and organizations, maintain technology appropriate for the learning environment, testing materials, copies of student class schedules, and schedule adjustments such as adding, dropping, or withdrawing from classes.

### Course Fees

Course fees are necessary to accommodate the continual increase in consumable instructional material and supplies. Certain programs, courses, and laboratory classes require specialized supplies, laboratory equipment, and tools.

COURSE	FEES
General Education Science Courses – per credit hour	\$20.00
Career & Technical Education Courses – per credit hour	\$30.00
Developmental Education Courses – per credit hour	\$15.00

### Books and Materials Fees

Books and supplies vary depending on how many and what type of courses a student is enrolled in. The [Spoon River College Bookstore](#) sells books and supplies and buys back qualifying used books in good condition at the end of each term.

The Spoon River College Bookstore has implemented a textbook rental program. Books qualifying for this program will be clearly marked and will be rented on each campus. Please contact your local campus for details.

### Other Costs of Attendance

In addition to tuition, fees, and books, students should anticipate that they will have other costs and expenses as a college student. Spoon River College expects that over a nine-month academic year, students could have the following expenses:

- Transportation – \$2,400.
- Housing - \$4,600.  
(Independent students and dependent students living away from home estimated expenses. Many of our students live with their parents while attending college and will not incur this entire expense.)
- Miscellaneous Personal Expenses - \$600.

### Tuition and Fees Due Dates

Tuition and fees are due prior to the beginning of each semester. Payment due dates are typically August 1 for Fall session, December 1 for Spring session, and May 1 for Summer session. Exact due dates adjusted for holidays and weekends are published on the College’s website. Failure to pay tuition and fees or secure appropriate funding by the published due date may result in the automatic cancellation of the student’s registration.

### Payment in Full

Students pay their total tuition and fees due to Spoon River College by the published due date for each semester. Payment may be made with cash, check, money order, or credit card (Visa, MasterCard, or Discover). Students not paying in full can participate in the tuition payment plan.

## Tuition Payment Plan

Nelnet Business Solutions (NBS) offers a tuition payment plan that enables students to spread tuition payments equally over several months without interest or finance charges. Paying monthly limits borrowing and lowers overall costs of education. The fee to budget monthly payments is a \$25.00 per semester, nonrefundable enrollment fee. Additional information about the [tuition payment plan](#) is available online or by contacting [Student Accounts](#).

## Nelnet Payment Portal

Enrolling in a payment plan through NBS is simple, and the plan offers multiple payment options. Connection to the Nelnet Payment Portal is available through My SRC. Students may budget tuition and fees payments one of two ways:

1. Automatic Bank Payment (ACH): ACH payments are those payments which authorize NBS to process directly with the student's financial institution. It is simply a bank-to-bank transfer of preapproved funds for expenses at Spoon River College. Payments may be made from either a checking or savings account. Payments are processed on the date selected each month and will continue until tuition is paid in full.
2. Credit Card Option: Students may charge monthly tuition payment to a Visa, MasterCard, Discover card, or American Express. Payments will be automatically charged to the credit card on the date selected each month until the balance is paid in full. Credit card convenience fees will be charged by NBS.

## Outstanding Accounts

Spoon River College will use any and all means necessary to collect this debt in accordance with state and federal laws.

All previous financial obligations must be cleared before the time of registration. No student shall be permitted to enroll until such obligations are paid in full. Transcripts, clearance for registration, and graduation will be held on all students with outstanding accounts until the account is settled and a clearance forwarded to Admissions and Records.

## CAREER AGREEMENT VERIFICATION

Spoon River College is an approved partner of the Comprehensive Agreement Regarding the Expansion of Educational Resources (CAREER Agreement). This agreement allows community colleges to share the career and technical education (CTE) programs of each institution and provide students with access to programs that might otherwise be unavailable to the student in his or her home community college district.

For students this means:

- Out-of-district students wishing to enroll in a SRC program that is not offered within their home district will pay SRC's in-district tuition rate with the proper verification from their home community college. Please contact your SRC advisor, and ask your home community college for a CAREER Verification. Re-verification will be required each academic year.
- Spoon River College district residents attending another community college for a program not offered by SRC may also be eligible for that college's in-district tuition rate. To request a CAREER Agreement verification, complete the required information in the [Career Agreement Verification](#) form available online.

Completed requests will be processed by the Instructional Office and reviewed by the Dean of Career and Workforce Education within approximately 10 business days. The student and the receiving college will be notified in writing if the verification was approved or denied. Re-verification will be required each academic year.

### REFUNDS

Students dropping a credit course(s), either online or in person, after completing the appropriate paperwork, will be eligible for refund of tuition and fees according to the following schedule. The refund period is the number of business days beginning with the first day of the semester.

#### Refund Period for 100% Refund

- All credit courses will be refunded 100% if dropped up to the first class session.
- Semesters lasting 9 to 16 weeks will be refunded 100% if dropped the first day of the semester through the fifth business day.
- Semesters lasting 5 to 8 weeks will be refunded 100% if dropped the first day of the semester through the fifth business day.
- Semesters lasting 2 to 4 weeks will be refunded 100% if dropped the first day of the semester through the second business day.
- Semesters lasting less than 2 weeks will be refunded 100% if dropped the first day of the semester through the second business day.
- Community Education and non-credit courses will be refunded 100% if dropped the day before the first class meeting.
- Commercial Driver Training courses will be refunded 100% if dropped the first day of the semester through the second business day.

#### Additional Refund Information

- 100% refund of tuition and fees is granted if a scheduled course is cancelled by the College.
- Students who are asked to leave the College or a course(s) for misconduct are NOT eligible to receive a refund of tuition and fees.
- Students may request a refund based upon a medical withdrawal by completing a Student Petition Form, located in Student Services.

### STUDENT MILITARY LEAVE

Military reservists called to active duty while enrolled at Spoon River College prior to December 1 or May 1 may withdraw from all classes, and the College will offer tuition credit for a future semester or refund the money to the funding agency, depending on the source of financing. Students must provide the Dean of Student Services with a copy of their orders to request withdrawals and ensure that proper credit is given.

Military reservists called to active duty while enrolled at Spoon River College after December 1 or May 1 may have completed enough of the class so that the grade could be offered. An incomplete should be offered only on the possibility of a very short tour of duty (two or three weeks). If an incomplete is offered, and the student's tour goes beyond the deadline for the incomplete to be made up (nine weeks from the end of the semester), we will retroactively give the student a withdrawal rather than the automatic change to an "F" grade to protect the student.

## Tuition Payment Statement (Form 1098T)

Spoon River students can secure their 1098T by logging into their MySRC account, or one will be sent by mail at the student's request.

## COLLEGE POLICY

### Assessment of Student Learning

Spoon River College uses a variety of strategies to assess student learning and achievement, generally categorized in three areas:

- *Achievement of individual course objectives.* All faculty have implemented classroom assessment activities, upon which they report at least annually. Assessment results are used to improve teaching and learning strategies in the classroom.
- *Achievement of program outcomes.* Career and technical programs use simulations, demonstrations, and local and state licensure exams to assess achievement of program outcomes. Faculty in transfer programs work out ways to assess outcomes in their separate program areas.
- *Demonstrated competency in areas of general education.* The College has identified general education competencies to be achieved by all students completing a degree.

### Computing Guidelines

### Copyright Infringement and File Sharing

Under copyright law, it is illegal to download or share copyrighted materials such as music or movies without the permission of the copyright owner. Downloading or sharing files is traceable and could result in a significant financial penalty. Spoon River College will treat illegal downloads or the illegal sharing of copyrighted materials with College computers or the network as a violation of the College's student code of conduct.

#### Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 through 122 of the Copyright Act (Title 17 of the United States Code), the Digital Millennium Copyright Act (H.R. 2281), and the World Intellectual Property Organization (WIPO) copyright treaty. These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

For more information, please see the website of the [U.S. Copyright Office](#); especially the [U.S. Copyright Office FAQ's](#) page.

## Data Privacy Rights Under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. Spoon River College upholds the federal law giving students the right to inspect, review, and amend their educational records. SRC students will be permitted to inspect their own educational records. In addition, the College will not release or disclose information or allow inspection of records without prior written permission from the student, unless, by law, prior consent is not required under certain circumstances. Students also have a right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA.

The name and address of the office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202-5901

Scope:

This policy applies to all Spoon River College students.

### Definitions:

*College official:* A person employed by the College in an administrative, supervisory, academic, research, or support staff position, or an outside contractor (e.g. health or medical professional, attorney, auditor) acting as an agent for the College or the Illinois Community College Board, or a student employed in the College work study/student worker program.

*Educational data or education records:* Any data in any form directly relating to an individual student maintained by the College or by a person acting for the institution.

*Eligible Parent:* A parent or guardian providing documentation which supports that the student is a legal dependent for tax purposes, or provides a signed release as designated by official documentation.

*Student:* An individual currently or formerly enrolled or registered or individuals who receive shared time educational services from a public agency or institution. All students at the College have the same rights regarding their educational data, regardless of age.

*Student records:* Student records include any and all records, in any medium, formally maintained by the College, that are directly related to a student.

### Details:

- 1. Notification of Rights:** The College will provide students in attendance with an annual notification of the rights available under FERPA in the [Student Handbook](#), which is produced on an annual basis and provided to each student during the beginning of every semester, as determined by the academic calendar. The [Student Handbook](#) is on the College's website. SRC will follow procedures to comply with this law.

**2. Right to Review and Inspect:** Students have the right to review and inspect their permanent student records within 45 days of the day the College receives a request for access.

A student should submit to the Director of Enrollment Services or Dean of Student Services, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The college official will arrange for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed. A student desiring copies of educational records may receive such, after payment of a fee of \$1.00 per sheet. This is exclusive of normal transcript service.

**3. Waiver of Right to Inspect:** The College will not provide confidential letters or statements of recommendation concerning admission to another educational institution, or applications for employment, unless the student has waived the right to inspect such letters or statements.

**4. Right to Amend Educational Records:** The student, or eligible parents of the student, may challenge the accuracy of their educational records. It is important to note that grades earned are not covered under FERPA because the rights of challenge are not intended to allow a student to contest, for example, a grade in a course because the student *felt* that a higher grade should have been assigned. However, FERPA does obligate faculty to honor a student's request to determine if a grade was recorded in error.

The process to request a revision of an educational record may include the following steps and appeal options:

*Step One* – If the student believes that the education record is inaccurate, misleading or in violation of privacy rights, the student may request in writing to the Director of Enrollment Services that the record be changed. The letter should state the nature of the inaccuracy or error and request the revision that the student wants made in the record. The Director will review the request and respond to the student in writing within ten (10) business days of receipt of the request.

*Step Two* – If the request to amend the record is denied by the Director of Enrollment Services, a student may request an appeal review before the Dean of Student Services within ten (10) business days of the date of notification of the appeal decision in step one. Failure to file an appeal in a timely manner constitutes a waiver of the right to appeal.

The Dean of Student Services will review the request for appeal review letter and will determine if the request has merit. In addition, the Dean of Student Services may schedule a meeting with the applicant. An advocate may attend this meeting but may not participate, except to advise. In the event that new information is presented that may affect the outcome of the original record revision decision in step one, the Dean of Student Services has the discretion to request a meeting with the Director of Enrollment Services and the student appealing the decision. The dean will render a review decision in writing within ten (10) business days of the appeal meeting.

*Step Three* – Following the decision of the appeal review, a student may request a third review before the Vice President. The request for a third appeal must be submitted in writing to the Vice President within ten (10) business days of the date of the appeal review decision completed in step two. Failure to file an appeal in a timely manner constitutes a waiver of the right to appeal.

The Vice President will review the original appeal letter, the appeal review letter and the third appeal request and will determine if the grounds for a third-level appeal have merit. The Vice President may schedule a meeting with the student. An advocate may attend this meeting but may not participate, except to advise. In the event new information is presented which may affect the outcome of the original record revision request or the appeal review decision, the Vice President has the discretion to request a meeting of the Director of Enrollment Services, the Dean of Student Services and the student appealing the request to revise a record. The Vice President will render a third-level appeal decision in writing within ten (10) business days of the third-level appeal meeting.

*Step Four* – Following the outcome of a third-level appeal with the Vice President, a student may request a final review. Unresolved third-level appeals will be referred to the College President for final review. The President shall issue a decision in writing to the student within ten (10) business days of the request for final review. The President's decision is final and binding.

**5. Disclosure:** There are two types of information distinguished under FERPA: personally-identifiable information and directory information. Certain conditions exist with regard to disclosure of each kind of information. The College complies as follows:

- A. *Personally Identifiable Information:* Personally-Identifiable Information is information that would include identifying data such as student's ID number, social security number, academic work completed, grades, achievement test scores, aptitude test scores, health data, or other personal characteristics or information which would make the student's identity easily traceable. Prior consent, in the form of a signed and dated document, must be provided by the student to authorize the College to disclose personally identifiable information. The consent must specify records that may be disclosed, should state the purpose of disclosure, and must identify the party or class of parties to whom disclosure may be made.
- B. *Directory Information:* FERPA allows for the disclosure of directory information as identified by the institution. Spoon River College has designated the student's name, address, telephone number, e-mail address, photograph, date of birth, major field of study, enrollment status, dates of attendance, most recent education agency or institution attended, degrees, honors and awards received, and participation in officially recognized activities and sports as directory information. The College will disclose directory information only, upon request, to other educational colleges and/or universities. A student has the right to refuse designation of any or all of this directory information by submitting a Request to Withhold Directory Information form to the Director of Enrollment Services.

**6. Exceptions:** FERPA allows for the release of student records without written consent of the student under the following conditions:

A. To school officials with legitimate educational interest. The College has designated school officials such as faculty, administration, professional employees, support staff, work-study students, or persons employed by or under contract to the College (example: an attorney or auditor) acting as an official agent of the College to perform a business function or service on behalf of the institution. A school official is determined to have legitimate educational interest if the information requested is necessary for that official to:

- 1) perform appropriate tasks which are specified in his or her position description or by a contract agreement.
- 2) perform a task related to a student's education.
- 3) perform a task related to the discipline of a student.
- 4) Provide a service or benefit relating to the student or student's family, such as health care, counseling, job placement, or financial aid.

## 2022 – 2023 Student Handbook

- 5) identify tasks that must be determined to be consistent with the purposes for which the data are maintained; and/or
- 6) maintain safety and security on campus.

B. In compliance with a court order or subpoena.

C. To parents of dependent students; Parents of dependent students may have the right to gain access to information in student education records. For purposes of FERPA, the College limits the student education record information that may be released (without the student's specific written permission) to directory information and specific data elements only.

A student must have indicated that either parent claimed him/her as a tax dependent on an application for financial aid (FAFSA). Otherwise, the parent must provide a copy of the most recently completed federal income tax return indicating that the student in question was claimed as a dependent.

The College defines a dependent as a student that is considered dependent on a parent according to IRS guidelines (as defined in Section 152 of the Internal Revenue Code of 1954). In addition, the College will assume dependency for students enrolled in the dual enrollment program. Dependency status will be verified through the use of financial aid records maintained in the S drive or by requesting IRS records from a student's parent. If dependency cannot be determined, a signed release from the student will be required.

The following information may be released to the parents of dependent college students:

- 1) Tuition account balances
- 2) Financial aid eligibility
- 3) Student's schedule of classes
- 4) Reason for an account hold
- 5) Explanation of satisfactory academic progress status

Directory information can be released to parents without verifying dependency status.

The College will respond to phone or in-person inquiries by the parents of dependent students.

If for any reason staff does not feel comfortable releasing information over the phone, the caller will be referred to the staff member's immediate supervisor, the Dean of Student Services, or the Director of Enrollment Services.

- D. To schools in which a student seeks or intends to enroll. (The College will attempt to notify the student that records are being provided.)
- E. To the Comptroller General of the United States.
- F. To the Attorney General of the United States.
- G. To the Secretary of the Department of Education.
- H. To state and local educational authorities involving an audit or evaluation of compliance with education programs.
- I. In connection with a student's application for, or receipt of, financial aid (such as the administration or continuation of aid), and organizations associated with providing financial aid to a student.
- J. In the event of a health or safety emergency where the information is required to resolve the emergency.

## 2022 – 2023 Student Handbook

- K. That is considered directory information, so long as the student has not requested nondisclosure of this information.
- L. That is a result of a disciplinary hearing where the student is the perpetrator of a crime of violence or a non-forcible sex offense. Under this exception, information may be released to anyone, including the media. No information on the victim or witnesses may be released.
- M. Of a student under the age of 21 who has committed a drug or alcohol related offense (e.g. reporting the offense to the parents of the student).
- N. To an alleged victim of a crime of violence (as defined in 18 U.S.C. Sect 16) or non-forcible sex offense, the final results of the alleged student perpetrator's disciplinary proceeding may be released.
- O. Federal and state government agencies and officials, accrediting agencies, and organizations conducting studies for or on behalf of educational agencies, if conducted so as not to permit the personal identification of any individual student.
- P. To schools or colleges to which the student is currently enrolled (dual enrollment, consortium agreements).

## STUDENT CODE OF CONDUCT

### SECTION A. GENERAL POLICIES

#### 1. PURPOSE AND BASIS FOR AUTHORITY

The Spoon River College Student Code of Conduct serves two purposes: (1) to serve as a guide for student behavior; and (2) to outline the procedures to be followed, both by students and College officials, should violations of the code occur. It is expected that all students will read this code and will be responsible for knowing and abiding by its contents.

In the eyes of the College, two authorities guide a student's conduct while on campus or while participating in off-campus, College-sponsored activities. First, each student is expected to abide by the rules, regulations, and policies of the College. Secondly, each student is expected to obey local, state, and federal laws.

#### 2. DEFINITIONS

- a. The term "College" means Spoon River College. The reference to "College" includes any event or site off campus where students, faculty, and staff represent the College.
- b. The term "college days" is defined as any workday, Monday through Friday, when the college is open.
- c. The term "college official" includes any person employed by the college performing assigned administrative or professional staff responsibilities.
- d. The term "college premises" includes all land, buildings, facilities, and other property in the possession of or owned, used, or controlled by the college (including adjacent streets and sidewalks).
- e. The term "reporting party" means any person who submits a report alleging that a student violated the Code of Student Conduct. When a student believes that they have been a victim of another student's misconduct, the student who believes they are a victim will have the same rights under this Code of Student Conduct as are provided to the reporting party, even if another member of the college community submitted the report itself.
- f. The term "faculty member" means all full- or part-time teachers, counselors and librarians, excluding interns and student teachers.
- g. The term "hazing" means any act which endangers the mental or physical health or safety of a student, or which destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in, a group or organization. The express or implied consent of the victim will not be a defense. Apathy or acquiescence in the presence of hazing are not neutral acts; they are violations of this rule.
- h. The term "law enforcement officer" includes any federal, state or local sworn police officer acting in his or her official capacity.
- i. The term "may" is used in the permissive sense.
- j. The term "member of the college community" includes any person who is a student, faculty member, college official, or any other person employed by the college. A person's status in a particular situation will be determined by the Dean of Students.
- k. The term "organization" means any number of persons who have complied with the formal requirements for college recognition.

- l. The term “preponderance of the evidence” refers to the standard of proof the Dean of Students and the Judicial Council use to make the determination if an action or behavior of a student violated the code. The standard is met if the evidence suggests that it is more likely to be true (greater than 50%) than not true that an accused student violated the Code of Conduct.
- m. The term “student,” for the purposes of this code, includes all persons applying for admission or taking credit or non-credit courses provided by the college both full-time and part-time.
- n. The term “responding party” refers to a student who is identified in a report as allegedly violating the Code of Student Conduct.
- o. The term “Judicial Council” means any person or persons authorized by the Dean of Students to determine whether a student has violated the Code of Student Conduct and to impose appropriate sanctions.
- p. The term “separation” which applies to College Suspension and College Expulsion means that student is denied access to the campus (including classes), to off-campus instructional sites, and/or to all other college activities or privileges for which the student might otherwise be eligible.
- q. The term “threat” means any expression of intent to do harm or act out violently against someone or something. A threat can be spoken, written, or symbolic.
- r. The term “will” is used in the imperative sense.

### **3. PHILOSOPHY**

The College strives to maintain an environment in which all students are free to pursue their academic interests and responsibilities. Conduct by a single student or a group of students that restricts such freedom or interferes with the College mission of promoting student learning is subject to regulation and/or sanction by the College. Therefore, a major function of the College is to recognize student rights, and at the same time to demand student responsibility.

Students are expected to conduct themselves as mature and law-abiding members of the college community and the general community and to comply with requests of the College authorities for preservation of order on College premises. Conduct which jeopardizes the health or safety of the College community or disrupts the educational activities and supporting services of the College is subject to review and possible sanction in accordance with the policies, procedures, and practices of the College.

### **4. STUDENT RIGHTS**

While the campus conduct process is different than criminal or civil proceedings, the following rights are provided to students, along with the expectation that students fulfill their responsibilities in the process.

Students or others who fail to respect the process or the rights of others may be excused from a meeting or proceeding and the process will continue in their absence.

When a student is charged by federal, state, or local authorities with a violation of law, the college will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also the subject of a proceeding before the Judicial Council, however, the college may advise off-campus authorities of the existence of the code and of how such matters are handled within the college community. The college will cooperate fully with law enforcement and other agencies in the investigation of potential criminal activity on campus or involving students, enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of violators who are also students.

## SECTION C. PROCEDURES

### 1. REPORTING MISCONDUCT

- a. Faculty members have the authority to decide if students have committed academic misconduct. If a faculty member discovers academic misconduct, the faculty member will proceed with the following steps:
  - 1) The instructor who has witnessed academic dishonesty or who has other evidence that academic dishonesty has occurred will meet with the student to present the allegation. Following this conference, depending on the gravity of the incident and the evidence available, the instructor will determine whether to handle the matter within the classroom or to be reviewed beyond the classroom.
  - 2) A report of incidents of sex discrimination, sexual misconduct, or interpersonal violence must be submitted to a Title IX Coordinator according to policy 3.1.3: Sex Discrimination, Sexual Misconduct, and Interpersonal Violence Policy (Title IX). Reports may be submitted in person, in writing, or electronically. A [Title IX reporting form](#) is available online. See policy 3.1.3 for further steps.
- b. Interim Action: In some cases, interim action prior to the resolution of the case may be necessary. This may be imposed upon initial receipt of a report, when the College becomes aware of a concern, or at a later time in the student conduct process. The reasons that interim action may be issued are:
  - 1) to protect the health, welfare, or safety of a student or of the community,
  - 2) if the student poses a threat of significant disruption to the educational process and/or the normal operations of the College,
  - 3) to provide legally mandated interim remedies, such as may be required for the College to comply with Title IX,

- 4) or if the student cannot be located and/or does not participate in the conduct process. In that event, the student will be provided with written notice of the measures. Such notice will usually be provided electronically, but may be delivered by other means such as U.S. mail or in person. The interim action notice will state the specific action imposed and the reason for the action, as well as instructions regarding how to request an appeal review on the interim action decision. Such an appeal request must be submitted in writing generally no later than 5 school days from the date of the letter. A timely hearing will be scheduled with an appropriate hearing officer (usually the Dean of Students, unless they are unavailable or issued the interim action). This proceeding will be limited to determining 1) the reliability of the information regarding the student's alleged behavior and 2) whether the alleged behavior meets the above described criteria for interim action. Failure to request a hearing by the deadline provided constitutes a waiver of a hearing on the interim action, but is not an indication of responsibility for the charges. Examples of interim action include but are not limited to:
- i. Ban from campus.
  - ii. Restricted access to campus, limiting time or location.
  - iii. Class section reassignment.
  - iv. Campus no-contact orders.
  - v. Campus no-contact orders and class section reassignment are not subject to appeal so long as equitable opportunity for the accused student to continue their education is provided.

## 2. CHARGES

- a. Any member of the college community may file a report against any student for misconduct. The Dean of Student Services is responsible for the administration of the student conduct process. Any report should be submitted within 10 days after the event takes place.
- b. Academic misconduct: Faculty will submit an Academic Misconduct Report.
- c. Non-Academic misconduct: Faculty and staff will submit an Incident Report Form.
- d. The Dean of Student Services, in consultation with an Instructional Dean, may conduct an initial investigation to determine if the report has merit and if the responding party should be charged with a student code of conduct violation.
- e. After consultation with an Instructional Dean, the Dean of Student Services will determine if the case can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to parties involved. Such disposition will be final and there will be no additional proceedings.
- f. If it is determined that the case cannot be disposed of by mutual consent, the Dean of Student Services, in consultation with an Instructional Dean, will investigate.

## 3. INVESTIGATION

- a. The Dean of Student Services, in consultation with an Instructional Dean, considers all evidence, determines the facts, renders a decision, and imposes disciplinary sanction(s) as appropriate.
- b. The Dean of Student Services, in writing, identifies the claimed misconduct, infraction, or offense, notifies a student of the full penalty or sanction, and presents a statement of the student's right due to process. This information is provided to the student via email delivery or by certified, return receipt mail to the last specified address in the student's permanent file.

#### 4. FIRST APPEAL

- a. A student may appeal to the Vice President or designee the decision made by the Dean of Student Services or an Instructional Dean within seven (7) business days from the receipt of notification to the student or attempt to deliver by the College.
- b. The appeal must be in writing, with full explanation for the student's appeal to the Vice President.
- c. The Vice President considers all evidence, determines the facts, upholds previous decisions, denies requests, or rescinds the decision and makes appropriate disciplinary sanctions as necessary within seven (7) business days of receiving the appeal.
- d. Any student acquitted of charges after this appeal will be provided an opportunity to make up class work that may have been missed as a result of suspension during the procedural action.
- e. The Vice President notifies the student - by certified mail of his/her decision regarding the appeal.

#### 5. SECOND APPEAL

- a. A student may appeal the decision made by the Vice President within seven (7) business days from the date of notification. A request for an appeal must be made in writing to the Dean of Student Services. The Dean of Student Services provides the Judicial Council Chair the documentation of the alleged misconduct and the nature of all the evidence. The Dean of Student Services provides the Judicial Council Chair the documentation of the alleged misconduct and the nature of all the evidence.
- b. Upon receipt of a request to appeal, the student is advised, in writing, on the right, methods, time, and place of the hearing at least seven (7) business days prior to the hearing.
- c. It is the responsibility of the student to make up class work that may have been missed because of the suspension during the procedural action.
- d. The Judicial Council holds a hearing, observes the procedures described above, considers all evidence, determines the facts, upholds previous decisions, denies requests, or rescinds the decision and makes appropriate disciplinary sanctions as appropriate.
  - 1) Hearing Procedures for Appeal with Judicial Council:
    - i. The hearings go forward unless the student notifies the Dean of Student Services a minimum of 24 hours in advance of his/her impending absence and will give the reason for that absence. Failure by the student to appear at the hearing will not prevent the Council from hearing evidence or deciding the case.
    - ii. The Chair calls the session to order and reads the rules as charged.
    - iii. The Chair will give an opportunity to the student and the Dean of Student Services or designee to make an opening statement.
    - iv. The Dean of Student Services or designee presents all pertinent information and/or witnesses regarding the alleged misconduct.
    - v. The student, after hearing all evidence presented, may question the accuser or witnesses.
    - vi. The student has the opportunity to present his/her case, including all evidence, witnesses, and no more than two (2) character witnesses from student body, faculty, or staff.
    - vii. The Dean of Student Services or designee has the right to question the student and/or witnesses.
    - viii. The Judicial Council has the right to question the student and/or witnesses.
    - ix. The Judicial Council meets in private to render a decision.
    - x. The Judicial Council notifies the student by certified mail that his/her petition has been granted or denied within seven (7) business days of the decision.
- e. Decisions at this level are final.

## 6. POSTPONEMENT OF RESOLUTION

A student who files a report or who is charged with a violation of the Code may request in writing to have a resolution postponed because 1) there is pending or possible civil or criminal litigation which he/she feels may be jeopardized by the outcome of campus resolution process, or 2) the student is unavailable for communications due to being incarcerated or hospitalized. The College may grant this only when both of the following circumstances have been met:

- a. When interim action as determined by the Student Conduct Officer or designee is imposed to prevent further or additional incidents during the resolution process. Such interim action will include (at a minimum) a hold preventing registration for classes, but may also include other measures such as, but not limited to, suspension, a ban from campus, and a designation on the academic transcript that there is a pending conduct matter.
- b. The College does not have any compelling reason why the resolution process should proceed. Examples of compelling reasons include but are not limited to:
  - i. Concerns for the safety of the campus or its members if the situation is not resolved.
  - ii. The need to provide a timely response in cases alleging sexual or gender-based misconduct.
  - iii. The quality of the investigation or ability to hear from witnesses who have critical case information may be compromised.

The College reserves the right to postpone indefinitely or for a finite period of time. The College may also independently decide to postpone resolution without a request from a student when the above conditions are met. The Dean of Students will review and respond to all requests, and there is no appeal of the Dean's decision concerning a requested postponement.

## 7. SANCTIONS

Sanctions are designed to promote the College's educational mission and to promote safety or to deter students from behavior that harms, harasses, or threatens people or property. Some behavior may be so harmful or disruptive to the College community or to the educational process that it may require more serious sanctions, such as removal from specific courses or activities, suspension from Spoon River College, or expulsion. More than one sanction may be imposed in a case. The following factors are generally considered when determining sanctions for a particular case:

- The nature of the violation(s),
- Prior findings of responsibility and sanction(s),
- Mitigating circumstances surrounding the violation,
- The student's motivation(s) for engaging in the behavior,
- Impacts of the behavior,
- Sanctions which have been imposed in similar cases in the past,
- The developmental and educational impact on the student.
- In cases of hazing, disciplinary action may be taken against both individuals and organizations or groups.

## 2022 – 2023 Student Handbook

Sanctions will be standardized or individualized.

- a. Standardized Sanctions. Standard sanctions pertain to a student's relationship with the College, and provide a form of consistency for the College in responding to acts of misconduct. One or more of these is usually issued when a student has been found responsible for violating the Code:
  - 1) Warning – written notice to the student that the behavior is not acceptable at Spoon River College and that additional incidents may result in more severe sanctions. This notice exists in the student conduct file and is not reflected on an academic transcript. Warning: Issuance of a written warning, admonition, or reprimand. This may include a referral for counseling.
  - 2) Disciplinary Probation – a period of time (which may be indefinite) during which a student is under warning that any other violation of college policy may result in suspension. Disciplinary probation may also prohibit a student from participating in certain college activities or programs, as it is considered notice that the student is not in good standing due to behavior. This sanction is not reflected on the academic transcript. Exclusion from participation in college extracurricular activities for a period of time not to exceed one academic year, including, but not limited to, holding any student office. Probation: A written reprimand in response to misconduct. Probation is a designated period of time where the student is expected not to repeat the act of misconduct or engage in other misconduct. Further sanctions may be imposed if the student repeats the behavior that resulted in the probation or engages in further misconduct while on probation.
  - 3) Grade Adjustment: Lowering of a test, assignment, or course grade. Course Failure: Failure of a student from a course where misconduct occurred.
  - 4) Suspension – a defined period of time during which a student is not permitted to engage in any of the privileges, courses, organizations, events, or activities associated with being a student at Spoon River College. During the period of suspension, a hold designating such will be placed on the student's account and transcript prohibiting registration, enrollment, attendance, or ability to earn credit for any credit or non-credit courses offered by Spoon River College. This also prohibits receipt of a degree or certificate from Spoon River College during this time. This suspension does not prevent a student from attending another college or university, transferring any otherwise qualifying credits back to Spoon River at a later date, or receiving copies of Spoon River College transcripts reflecting academic credits previously earned. Once the period of suspension has been completed, the hold will be lifted from the student account, provided the student has completed any other requirements required prior to return. During the period of suspension, the student is also banned from Spoon River College property unless otherwise stated.
    - i. Summary Suspension (See Section D.1): A suspension imposed without a formal hearing to ensure the safety and well-being of members of the College, which shall include an oral or written statement from the Vice President that the student has been accused of violating college policy and may be subject to more severe sanctions. Students who are summarily suspended are still responsible for paying balances owed for tuition, fees, and books. Suspensions are noted on the student's academic transcript. In certain circumstances, the Dean of Student Services or Instructional Dean may impose a summary suspension prior to the informal or formal proceedings described above. A summary suspension may be imposed only when, in the judgment of the Dean of Student Services or, the accused student's presence on the college campus constitutes a threat to the safety and well-being of members of the college community or college property.

## 2022 – 2023 Student Handbook

Notice of the summary suspension shall be provided in writing to the student and shall include the duration of the suspension. After the student has been summarily suspended, the student shall be provided an opportunity for a formal hearing within the shortest reasonable time period, not to exceed ten business days. During the summary suspension period, the student may not enter the campus without prior permission from the Dean of Student Services or Instructional Dean.

- ii. Suspension (See Section D.2): Denial of enrollment for a specified period of time, after which the student is eligible to return. During this time the student cannot qualify for graduation, register for or attend classes or other college functions. Suspended students are still responsible for payment of balances owed for tuition, fees, and books. Suspensions are noted in the student's academic transcript.
  - iii. Suspensions are noted on the student's academic transcript.
  - iv. Suspensions lasting for more than 10 days, or expulsion from the College, will be listed on the student's official academic transcript. After a period of three years, the student may make a request in writing to the Vice President to remove the notations of disciplinary action from his/her transcript. The Vice President's decision to remove the transcript notation will be made based on the circumstances surrounding the request and the original offense.
- 5) Conditional Re-Enrollment – A hold is placed on the student's account, prohibiting re-enrollment until certain activities or sanctions are completed. The student may also be under behavioral restrictions upon enrollment.
  - 6) Restriction of Access or Privileges – Prohibition on accessing a specific area or building of campus, and/or prohibition from participating in certain activities. This sanction may or may not affect a student's ability to take a specific course, but it typically allows for the pursuit of educational programs overall. Denial of Related Privileges: Example: denial of the use of the college computers if the violation is related to the use of computer technology.
  - 7) Ban from Campus – prohibition on accessing any Spoon River College property, including satellite campuses.
  - 8) Expulsion—the indefinite termination of a student's status at the College; permanent denial of enrollment at the College. This prohibits engagement in any of the privileges, courses, organizations, events, or activities associated with being a student at Spoon River College. This does not prohibit the transferring of credits earned to another college or university, but the expulsion is designated permanently on the academic transcript.
    - i. Unless otherwise stated, the student is also indefinitely banned from Spoon River College property. This is the most egregious sanction that Spoon River College can impose upon a student.
    - ii. Expulsion is designed to be a permanent separation from the institution; however, in those rare cases where a student seeks to return to Spoon River College at a later date after making significant behavioral changes, a student may petition for reinstatement. A petition for reinstatement may be submitted no earlier than 5 years after the date of expulsion. The petition should be submitted in writing to the Dean of Students and should describe 1) what actions the individual has taken to learn from the situation and prevent the behaviors from re-occurring, and 2) what educational pursuits the individual seeks at Spoon River College. The Dean of Students will convene a committee of faculty and staff to review the petition and provide a recommendation for the Dean's consideration. The Dean will make a decision and provide the outcome to the student. If denied, the former student may re-petition once one year has passed. There is no appeal process to this decision.

- iii. Expelled students are still responsible for paying balances owed for tuition, fees, and books.
- iv. Expulsions are noted on the student's academic transcript.
- b. Individualized Sanctions. In addition to the standard sanctions above, individualized sanctions may be imposed that are designed to maximize the learning of a specific student. These sanctions take into account the student's learning style and stage of development, as well as the unique factors of a given situation. Multiple individualized sanctions may be imposed, including but not limited to one or more of the following:
  - 1) Reflective Activity: an activity designed to promote reflection by the student about his/her behavior and its impacts. Examples can include: writing assignments, interviews, research projects, etc. Completion will be based on fulfilling the objective requirements of the assignment, not on whether the student adopts or expresses a particular perspective or point of view. Discretionary Sanctions: Additional academic assignments determined by the student's instructor(s).
  - 2) Counseling Assessment: Completion of an assessment with a licensed care provider as well as documentation of learning about possible resources for follow up.
  - 3) Restitution: Payment to a harmed party, such as to repair or replaced vandalized property. Restitution may take the form of appropriate services or other compensation.
  - 4) Community and/or College Service: Completion of a designated number of hours of service on campus or in the community.
  - 5) Meetings with College Resources: Meeting with a College employee or office to learn about resources offered to support students.

## 8. ALCOHOL AND DRUG VIOLATIONS

Students who have violated the College's student conduct policy concerning alcohol and drugs will generally be subject to the following progressive discipline schedule. Depending upon the nature and the severity of the violation, more serious sanctions may be imposed with a first offense than are outlined below. The College reserves the right to impose other sanctions that are not listed in this section of the policy.

- a. First Offense:
  - 1) Warning will be issued
  - 2) Student-athletes will be subject to a minimum four-game suspension and up to removal from the team and removal of scholarship. Students in clubs and organizations will be prohibited from participating in a minimum of the next two scheduled activities and up to removal from the team and removal of scholarship.
- b. Second Offense:
  - 1) Probation status for the remaining time of enrollment.
  - 2) Student-athletes will be subject to a minimum eight-game suspension and up to removal from the team and removal of scholarship. Students in clubs and organizations will be prohibited from participating in a minimum of the next four scheduled activities and up to removal from the club or organization and removal of scholarship.
  - 3) Community service.
- c. Third Offense:
  - 1) Suspension from the College not to exceed ten (10) days.
  - 2) Student-athletes and students that are members of a club or organization will be permanently suspended from participating for the balance of the academic year.
  - 3) Referral to alcohol/drug abuse screening.

## SECTION D. OTHER POLICY PROVISIONS

### 1. STUDENT CONDUCT RECORDS

The College maintains student conduct records as part of student education records in accordance with the Family Educational Rights and Privacy Act, 20 U.S.C.S. §1232g (“FERPA”). Students may request to review their student conduct record by contacting the Office of the Dean of Students, in writing.

No earlier than seven years following the resolution of any conduct case (including fulfillment of any relevant sanctions), a student’s conduct record may be purged in accordance with campus procedures if there is no longer an administrative value to the record and the individual’s relationship to the campus has ended.

Student conduct records will be disclosed only with written consent of the student’s parents or the eligible student (in the case of a student 18 years of age or older), except as otherwise allowed pursuant to FERPA and its implementing regulations. Examples of appropriate disclosures of records without consent include disclosure of information:

- a. To other school officials within the institution when there is a legitimate educational interest in the information in order to exercise or complete their responsibilities on behalf of the institution.
- b. Records related to behavior that poses a significant risk to the safety or well-being of that student, other students, or other members of the school community; including as part of emergency response, emergency notification, timely warning, or other notifications as required by law.
- c. To teachers and school officials, including teachers and school officials in other schools, who have legitimate educational interests in the behavior of the student (this includes release of records when another institution where the student seeks to enroll or has enrolled seeks information in relation to a behavioral risk or threat assessment.)
- d. Regarding any violation of any Federal, State, or local law, or of any rule or policy of the institution governing the use or possession of alcohol or controlled substance to a parent or legal guardian of a student if the student is under the age of 21 and the institution determines that the student has committed a disciplinary violation with respect to such use or possession.
- e. In cases where the behaviors in question may also constitute a crime of violence (as described in the Clery Act), as well as in cases involving any allegation of two (2) parties (sexual or gender-based misconduct), the victim and/or complainant will be informed of the outcome, including the determination of responsibility, rationale, and sanction(s).
- f. Final results (the name of the student, the nature of the violation committed, and the sanction(s) imposed) of the student conduct process for any student who is found in violation of a College policy that is also determined to be a “crime of violence,” as described in the Clery Act, may be released publicly.

### 2. REPORTS TO LAW ENFORCEMENT AUTHORITIES

In the event an investigation into academic or non-academic misconduct leads the College to reasonably believe that a criminal act may have occurred, the College shall report such behaviors to the appropriate law enforcement authorities.

### 3. RETALIATION

Spoon River College prohibits any form of retaliation against any student or employee for filing a bona fide complaint under this policy or for assisting in a complaint investigation. However, if after investigating any complaint of harassment or unlawful discrimination the College determines that the complaint is not bona fide and was not made in good faith or that an employee or student has provided false information regarding the complaint, disciplinary action may be taken against the individual who filed the complaint or who gave false information.

### 4. INTERPRETATION AND REVISION

- a. Any question of interpretation regarding the Code of Student Conduct will be referred to the Dean of Students for final determination.
- b. The code will be reviewed periodically and amended as necessary under the direction of the Dean of Students. All changes will be approved through the College's Participatory governance system (College Senate). This Code of Student Conduct was last reviewed November 11, 2020.

### Acknowledgements

Spoon River College would like to acknowledge the Student Codes of Conduct and related procedures from: William Rainey Harper College and Waubensee Community College as resources for the 2021-2022 revision of this document.

## APPENDIX

### PLAGIARISM STATEMENT

Plagiarism, using your own or another person’s published or unpublished work by paraphrase or direct quotation without full and clear acknowledgement, is a serious breach of academic integrity, and is considered a breach of the Code of Student Conduct. The college expects that students will submit their original work, in their own words, representing their own ideas and judgements. Students will appropriately cite and document ideas, words and works used. Penalties for plagiarism will be determined by the instructor, the Dean of Students and/or the Judicial Council as the situation warrants.

What is plagiarism?

Plagiarism is more than the theft of mere words: plagiarism involves ideas, theories, insights, work products, projects and images—all collectively termed intellectual property. Authors, scientists, and artists own their intellectual property, so any use of this property without credit is the equivalent of theft.

Examples of plagiarism include:

- Handing in a paper or assignment (in part or in whole) written by someone else.
- Incorporating information from a book or article without documenting the source.
- Incorporating information from an electronic source (website, listserv, etc.) without documenting the source.
- Submitting a paper, assignment, or project that was purchased and representing it as your own work.
- Inaccurate or incomplete documentation of the source of any information.

What is not plagiarism?

- The learning process often calls upon students to work collaboratively or seek outside assistance—such work does not fall within the bounds of plagiarism.
- Examples of work that is not plagiarism include:
- Working on a group project.
- Seeking assistance from the Writing Assistance Center.
- Asking another student to read over your work and offer his or her opinion.
- Consulting with an instructor on a paper or assignment.

Why is plagiarism such a concern?

- Plagiarism runs counter to the entire learning process. When a student takes a shortcut to completing an assignment or hands in someone else’s work, he or she has missed the opportunity to learn. This is a rather disingenuous approach to education as well as a breach of academic integrity. Furthermore, students who cheat may find that they have really cheated their own futures, as they may later be called upon to use the very skills and abilities the assignment was designed for them to learn.

## 2022 – 2023 Student Handbook

- Plagiarism is about ownership. Scholars, artists, writers, computer programmers and many other professionals make their livings through the articulation of ideas. Through publication they have allowed others access to these ideas but they still own them. Plagiarism robs these individuals not just of their intellectual property but also of their livelihood.
- Plagiarism is a form of dishonesty. Students who plagiarize hurt not only themselves but also other students who have done the work honestly. Avoiding the sometimes-laborious work of scholarship is not only dishonest, it is also unfair to those who were willing to put in the time and effort necessary.

How can students avoid plagiarism? There are several ways students can avoid plagiarism.

A. As you prepare a paper or assignment:

- a. Keep careful records of the sources you consult. If you record this information as you work, you will avoid needless searching later on.
- b. Familiarize yourself with the instructor's preferred citation and documentation style (MLA, APA, CMS, etc.). If you need additional assistance, seek tutoring assistance through the Learning Resource Center.
- c. Learn what falls within the limits of common knowledge. What is considered common knowledge may differ by discipline, but it generally consists of facts and information that are readily available to the public through a variety of sources.
- d. When in doubt, cite it! If you are not sure whether or not the information would be considered public knowledge either ask your instructor or cite it to be on the safe side.
- e. Place quotes around words that are not your own. Even if you've documented the source at the end of the paper or assignment, you are not done yet. Quotation marks indicate that you are using someone else's language.
- f. Be careful when you paraphrase information. Paraphrasing refers to including someone else's information in your own words. Learn what makes for an appropriate paraphrase and remember to cite—even though you may have changed the language, the author still owns the ideas behind the language.

B. Before you hand in a paper or assignment:

- a. Keep copies of drafts, outlines, and any other planning documents you used in preparing course assignments. If any questions arise, you will then have evidence you've done your own work.
- b. Double-check your documentation and citation format for accuracy. Read through the paper or assignment asking yourself: Did I know this before I began my research? Would I have expressed this the same way had I not been exposed to the same sources? Is every quote followed by the source? Are paraphrases accurate? Are paraphrases representative of my own language use?

C. After you hand in a paper or assignment:

- a. Keep a dated copy for yourself. In case questions arise, you will have a record of the completed version.

- b. Do not allow others to hand in your work as their own. Allowing others to misrepresent your work is also plagiarism and truly undermines the hard work you have put into the learning process.

D. What are the consequences for plagiarizing?

The penalty for plagiarizing will be determined by the instructor. Penalties vary based on the severity of the incident, whether it was outright theft or faulty documentation. However, lack of knowledge regarding documentation is no excuse for plagiarism. Penalties may include receiving a grade of F in the course, receiving an F on the assignment and/or referral to the Judicial Council.

## STUDENT GRIEVANCE PROCEDURES

Spoon River College has established grievance procedures to resolve academic and non-academic issues and to maintain campus safety and preserve the integrity of the College and its educational environment.

In addition, the student grievance procedure provides an equitable process through which problems related to the discrimination of any student on the basis of sex under Title IX of the Educational Amendments of 1972 may be promptly and efficiently resolved.

### Academic

When a student has a concern regarding classroom management, instructional methods, grades, teaching effectiveness, or evaluation, students are expected to first attempt to resolve their concerns with the instructor. If such resolution is unsuccessful, the student must contact the Instructional Dean who will determine a resolution/remedy, conduct an investigation, and render a decision.

### Non-Academic

When a student has a concern regarding conduct, student life, or any other student issue, students can contact the Dean of Student Services. Students must submit a formal grievance in writing to the Dean of Student Services. The Dean of Student Services will conduct a conference, investigate, and render a decision.

## Discrimination and Harassment

Spoon River College does not discriminate, and will not tolerate discrimination or harassment, on the basis of sex, pregnancy, gender identity or expression, race, color, creed, national or ethnic origin, religion or religious affiliation, sexual orientation or preference, age, marital or family status, disability, veteran status, or other status protected by applicable federal, state, or local law in admission, financial aid, employment, athletics, or any other aspect of its educational programs or activities. Reasonable accommodation will be provided to persons with disabilities, consistent with state and federal law. (Refer to SRC Policy and Procedure Manual, Discrimination & Harassment Policy, 3.1.1).

Spoon River College has an established policy against sex discrimination, sexual misconduct and interpersonal violence that articulates the College's descriptions of prohibited conduct. The policy and the related investigation and resolution procedures for allegations of sex discrimination, sexual misconduct, and interpersonal violence outline the College's approach to addressing reports of sex discrimination, sexual misconduct, and interpersonal violence, and other suspected violations of the policy. The College is committed to the prompt and equitable resolution of all alleged or suspected violations of the policy about which the College knows or reasonably should know to the fullest extent possible under the circumstances. (Refer to SRC Policy and Procedure Manual, Sex Discrimination, Sexual Misconduct and Interpersonal Violence Policy [Title IX], 3.1.3).

The full [Title IX](#) policies, procedures, and other relevant information can be found online.

## Appeal

The student may appeal the decision made by the Dean of Student Services or Instructional Dean within 10 institutional days from the date of receipt of notification to the student or attempt to deliver by the College. The written appeal must fully explain the student's appeal and must be delivered to the Vice President.

The Vice President shall consider all evidence, uphold previous decisions, deny requests, or rescind the decision and make appropriate disciplinary sanctions as necessary on a timely basis. The Vice President shall notify the student, either in person or by certified mail, of his/her decision. Decisions at this level are final.

## Student Complaints

Spoon River College takes student complaints very seriously and works with students to resolve formal complaints in a timely manner. The complaint process is a means for students to bring forward any concerns or file a formal complaint that pertains to alleged violations of State consumer protection laws that include but are not limited to fraud and false advertising; alleged violations of State laws or rules related to the licensure of postsecondary institutions; and complaints relating to the quality of education or other State or accreditation requirements.

Students, or consumers, who have a complaint they are trying to resolve with a specific community college are encouraged to try to resolve their issues through their institution's formal grievance procedures. If the issue is not resolved through this process, students may file a formal complaint with the Illinois Community College Board (ICCB). ICCB may then contact the institution on the student's behalf. If you are an out of state student taking an online class and you have a complaint which has not been resolved through the college's grievance procedures, you may file a complaint with the state in which you reside; Student Complaint Information by State. You may also contact the Illinois Community College Board when seeking a resolution.

The Higher Learning Commission (HLC) is the outside entity responsible for the accreditation of programs offered by Spoon River College. Accredited institutions are required to submit progress reports, monitoring reports, contingency reports, and annual reports. At times, HLC receives complaints from students or other parties. When a complaint raises issues regarding an institution's ability to meet accreditation criteria, HLC will forward a copy of the complaint to the institution and request a form response. [HLC Student Complaints](#) may be filed online.

[The Spoon River College Student Complaint form](#) is also located online.

## STUDENT PETITIONS

Students may petition the College if they are seeking exceptions to College policy or procedure, or consideration for special circumstances that have impacted their capacity to attend classes in the following areas:

- Academic forgiveness or amnesty
- Course drops after the deadline
- Course withdrawals after the deadline
- Fee waivers
- Full or partial tuition refunds
- Medical withdrawals
- Tuition refunds after the deadline
- Other exceptions to College policy and procedures.

### Petitions for Final Grade Appeals

Final grade appeals may also be pursued through the petition process. Faculty members have the authority to establish course requirements and standards for expectations and the evaluation of student performance. Grades submitted by faculty are presumed to be accurate.

Students may appeal a grade only after they have met with the instructor about the grade and when they can document that one or a combination of the following has occurred:

- An error in calculating the grade.
- Notification or communication from faculty to students was not clear and/or timely concerning criteria for grade determination.
- Inconsistently applied standards for evaluation of student academic performance.
- Assignment of a grade was based on factors other than student achievement.

If students believe that a grade received is based upon discrimination or sexual harassment, as defined in the Student Handbook/College policy, they should follow the procedures for harassment, and contact the [SRC Human Resources Office](#) immediately.

### Petition Process

*Step 1:* A student seeking an exception to College policy and procedure should complete a petition form and submit it to the Dean of Student Services. The Student Petition form can be found on the College web site, or it is available in any student service area of the College. The petition will be reviewed by a petition committee, whose members include the Director of Enrollment Services, Director of Business Services, Dean of Student Services, Financial Aid Director, and an Instructional Dean. The student will receive written notice of the decision of the committee within ten (10) business days of the receipt of the petition.

Please note that a student who has questions about a grade received in a course should first seek to resolve the issue by consulting with the instructor prior to pursuing a petition.

*Step 2:*

Following the decision in step one, a student may request an appeal with the Vice President. The request for an appeal must be submitted in writing to the Vice President within ten (10) business days of the date of notification of the decision in step one. Failure to file an appeal in a timely manner constitutes a waiver of the right to an appeal. The Vice President will review the request for appeal and will determine if the request has merit. In addition, the Vice President may schedule a meeting with the student. An advocate may attend this meeting but may not participate except to advise the student. In the event that new information is presented that may affect the outcome of the original petition decision in step one, the Vice President has the discretion to request a meeting with the petition committee and the student appealing the decision. The Vice President will render a decision on the appeal in writing to the student within ten (10) business days of receipt of the appeal letter or the appeal meeting.

*Step 3:*

Following the appeal decision, a student may request a second appeal with the President of the College. The request for an appeal with the President must be submitted in writing within ten (10) business days of the date of the appeal decision completed in step two. Failure to file an appeal in a timely manner constitutes a waiver of the right to an appeal.

The President will review the appeal document(s) and will determine if the student's case for appeal has merit. The President may schedule a meeting with the student. A student advocate may attend this meeting but may not participate except to advise the student. In the event that new information is presented that may affect the outcome of the original petition decision or the original appeal, the President has the discretion to request a meeting of the Petition Committee, the Dean of Student Services and the student. The President will render an appeal decision in writing within ten (10) business days. The decision of the President is final and binding.

## **PARKING & PUBLIC TRANSPORTATION**

Adequate, free parking is provided adjacent to the buildings on all campuses. Students attending the Macomb campus may take advantage of the [Go West](#) bus system provided by WIU. [Fulton County Transit Services](#) provides affordable transportation to the Canton campus.

## **VOTER REGISTRATION**

Access to voter registration is available online with the [Illinois Board of Elections](#). SRC sponsors a series of activities encouraging students to register to vote.

## **ACADEMIC POLICIES AND PROGRAMS**

### **Academic Honors**

*President's Academic Honors list:* Recognition of academic achievement of those students who have achieved 12 credit hours or more of 100 level or higher classes during the semester and earned a semester grade point average of 3.6 or better.

*Dean's Honor Roll:* Recognition of academic achievement of those students who have achieved 12 credit hours or more of 100 level or higher classes during the semester and earn a semester grade point average of 3.0 - 3.5.

Part-time students who have completed at least twelve credit hours at SRC and are enrolled in six to eleven credit hours during the semester are eligible for the President's List if they have achieved a semester GPA of 3.6 or higher and Dean's List recognition if the earned semester GPA is between 3.0 and 3.5. Courses must be 100-level or higher to be considered for this recognition.

*Phi Theta Kappa International Honor Society:* Full-time students with a cumulative grade point average of 3.25 or better are permitted to apply for membership in Phi Theta Kappa International Honor Society. A 3.0 average must be maintained for a student to remain a member in good standing. Part-time students with a cumulative grade point average of 3.25 following the completion of fifteen hours of transfer credit are eligible for membership in Phi Theta Kappa.

### **Academic Unit of Credit**

A semester hour is the amount of credit usually earned by attending a non-laboratory class for fifty minutes a week for 16 weeks. In laboratory courses, one semester hour of credit is granted for every two or three hours of laboratory work.

The standard expectation in a traditional face-to-face 16-week course is that students will spend a minimum of two hours per week outside of class for every hour in class. For example, a student taking a three-credit hour class should plan to dedicate at least 6 hours per week outside of class towards coursework. The work might be class preparation and study time, reading, completing assignments, writing papers, group work, and/or other types of experiential learning. An equivalent amount of work is required for all forms of delivery, including online classes, hybrid classes, laboratory work, studio work, and courses meeting on a shortened schedule such as 12-week or 8-week classes.

## Attendance

Regular and prompt attendance at all classes is expected of every student. Specific attendance requirements are reflected on course syllabi; however, students will be excused from absences defined as “excused absences.” It is the student’s responsibility to notify the instructor and make arrangements to complete any missed work. All instructors are free to establish attendance policies for their classes. Excused College absences include, but are not limited to, athletic contests, activities verified by the College coach or activity sponsor, military obligations, and court appearances. The student may be required to provide evidence to support the excused absence to the instructor or Dean of Student Services.

## CAREER PATHWAYS PROGRAM

A career path sequence includes certain high school courses continued by two years of community college courses which lead to an Associate degree. The sequence includes integrated academic and technical content, workplace skills, and instruction delivered both at the worksite and in the school/college setting. These programs may articulate to a four-year baccalaureate college degree.

## ARTICULATED CREDIT

High school students may be eligible to earn college credit for skills mastered at the high school level. For more information, students should contact their high school counselor.

## GRADING

Spoon River College uses the following schedule of letter grades, definitions, and grade-point equivalents as its official marking system. Students' grades are available on the web at My SRC after the completion of the semester.

### GRADE POINT EQUIVALENTS:

A Letter Grade Of	Defined as	Grade Point per Credit Hour
A	Superior	4.00
B	Above average	3.00
C	Average	2.00
D	Passing	1.00
F	Failure	0.00
FA	Failure due to attendance	0.00
W	Official withdrawal	n/a
I	Incomplete	n/a
AU	Audit/No credit	n/a

Courses utilizing the pass-fail grading system will be designated as follows:

S = Satisfactory completion (Pass)

U = Unsatisfactory completion (Fail)

### Graduating with More than One Degree/Certificate

Students who have received an associate degree or who wish to receive an additional degree or certificate may count all appropriate previously earned credits toward the requirements of the desired additional associate degree or certificate. A separate application for graduation is required for each degree or certificate received.

## Graduation Requirements

To become eligible for an associate degree or certificate from Spoon River College, all students must fulfill the general requirements listed in the details below.

- Student must submit an [Application For Degree or Certificate](#) by October 1 for fall semester graduation, February 1 for spring semester graduation, and July 1 for summer session graduation. Applications are available from Admissions and Records, online, or from an advisor.
- Student is required to meet with an advisor to complete a degree audit. The degree audit must be attached to the graduation application and must have the advisor's signature.
- Student must meet the residency requirements: Associate degree candidates must earn 15 of the required semester hours in residence at Spoon River College. Certificate candidates must earn one-third (1/3) of the required semester hours in residence at Spoon River College. Residency is defined as enrollment and completion of courses taught by Spoon River College. Credit earned by other than coursework (i.e., examination, advanced placement, etc.) may not be counted as part of the residency requirement for either degrees or certificates.
- Student must complete at least 60 credit hours in a planned degree program of study or the specific requirements of a certificate program.
- Student must maintain a minimum 2.00 GPA.
- Student must fulfill all financial obligations to the College.
- Students are encouraged to participate in the commencement ceremony. Students completing work in December and July are invited to participate in the May ceremony. Students participating in commencement exercises in May will be assessed a fee for the purchase of their cap and gown.
- Students must meet the graduation requirements as outlined in the instructional program of the catalog year in effect at the time of the student's initial enrollment in the College. An academic dean may waive the catalog year requirement. Students must submit a written request for consideration in addition to the application for graduation.
- Degree and certificate requirements stated in the Spoon River College catalog at the time of the student's initial enrollment at Spoon River College remain in effect for that student until graduation if requirements are met within a five-year period. If changes occur in graduation requirements subsequent to initial enrollment, the student may elect to graduate under the most recent degree or certificate requirements by petitioning an academic dean. If graduation requirements are not met within five years of the student's initial enrollment at Spoon River College, the student must meet the graduation requirements specified in the catalog for the year of graduation.

## Incomplete Grades

An incomplete is given by the instructor to permit a student the opportunity to make up work required for satisfactory completion of a course. Required course work must be completed within a **maximum of nine weeks** after the scheduled completion date of the course or sooner as determined by the instructor. If the work is not completed and the proper grade is not recorded by the instructor within nine calendar weeks, the Registrar will automatically record a grade of "F." No withdrawal is permitted after an incomplete has been given.

## ONLINE COURSES

Online Courses are taken via the Internet. They are not independent study courses. An online course is a course in which students do not attend a face-to-face classroom. Students will interact with the instructor and each other through e-mail, group work, and discussion forums. These courses provide credit that can lead to an Associate in Arts or an Associate in Science degree and also transfer to many four-year colleges and universities. It is a misconception that online classes are easier than traditional classes. Please speak with an advisor or visit our [Online Learning](#) page on the SRC website if you have questions.

For a listing of online courses, go to the SRC home page, click on “Schedule & Registration”. Choose the appropriate semester and click on Online. (Or click “Course Search”, choose the appropriate semester, and then choose “OTH Campus” on the Campus drop-down menu. Online classes are listed with a “T” section (for example, ART120-T1).

Students in online classes and many on-campus classes use Canvas, a Learning Management System (LMS) that will allow you to access your courses on SRC Online. LMS software allows instructors to post course information online. You can access a course site in Canvas from any computer with internet access. Even if you are not taking an online class, many instructors will post lecture notes, assignments, grades, and class announcements on Canvas.

To login into Canvas, go to the [Student, Faculty and Staff Portal](#) on the [SRC website](#).

## SPOON RIVER COLLEGE’S STANDARDS OF ACADEMIC PROGRESS POLICY

Spoon River College requires students to make timely progress towards achieving a certificate, diploma, or degree in their chosen program of study. In addition, students are expected to perform at a satisfactory level to maintain their enrollment and continue to receive financial aid. Spoon River College measures satisfactory academic progress by the criteria explained below.

Federal law and state financial aid rules and regulations require that Spoon River College establish satisfactory academic progress standards for federal and state financial aid applicants. These laws, United States Department of Education regulations (Public Law 99-498), and Federal Regulations 34CFR, Part 668, as well as published rules of the Illinois Student Assistance Commission are to ensure that any student who receives or applies for federal or state financial aid is making progress toward a degree.

In order to maintain eligibility for financial aid, a student must meet the Standards of Academic Progress as published annually by Spoon River College. Failure to meet these requirements will result in the loss of all Title IV aid (Federal Pell Grant, Federal Direct Stafford Loan, Federal Supplemental Educational Opportunity Grant SEOG, Federal Parent Loan for Undergraduate Students (PLUS Loan), Federal Work Study Program), and state aid (Illinois Veterans Grant, Illinois Monetary Award Program (MAP) Grant, Illinois National Guard Grant, Montgomery GI Bill, and the MIA/POW Scholarship), until action is taken to regain eligibility.

Finally, students that fail to meet the College’s academic standards will also lose their eligibility for Academic Performing Scholarships, Performing Skills Scholarships, and Athletic Performing Scholarships.

## **I. QUALITATIVE MEASURE OF PROGRESS (ALL STUDENTS)**

Students must maintain a session and cumulative GPA of 2.00 at the end of each semester

## **II. QUANTITATIVE MEASURE OF PROGRESS (Financial Aid Recipients)**

### **A. REQUIRED COMPLETION PERCENTAGE**

Students must maintain a cumulative and session course completion rate of 67% at the end of each semester. This is the minimum cumulative and session percentage of enrolled credit hours which the student must successfully complete for each term in which he or she is enrolled. Enrolled credit hours represent the number of credit hours in which the student is enrolled at the end of the 100% refund period.

### **B. MAXIMUM TIME FRAME**

Students must complete their declared program of study within the maximum allowable credit limit of 150% of the program's prescribed credits. For example, students who pursue 64-credit programs will be allowed to attempt up to 96 credits. However, they must complete the program and graduate by the time they reach the 96-credit hour limit. Students who reach the maximum allowable credit limit will be suspended from financial aid eligibility by the Financial Aid office. Maximum timeframe suspension may be appealed through the Financial Aid office and must be accompanied by a degree plan signed by the academic advisor. It is important to note that credit hours transferred to Spoon River College count toward the maximum timeframe.

Once it becomes apparent that a student will not be able to successfully complete their degree or certificate program at their current pace of progression, they will be placed on Financial Aid Suspension. Students do have the option to appeal this decision. All appeals must be accompanied by a Degree plan signed by an advisor. Students not following the academic plan will not be eligible for financial aid.

Once a student completes a degree, he or she has reached the maximum timeframe allowed and must appeal for reinstatement of aid if they wish to take course work for a degree/certificate in the future.

## **III. EVALUATION PERIOD**

Academic progress is assessed at the end of each semester.

## **IV. FAILURE TO MEET STANDARDS**

### **A. MAXIMUM TIME FRAME (FINANCIAL AID RECIPIENTS)**

At the end of each semester the Financial Aid office evaluates the number of credits students have completed for their program of study in relation to the maximum time frame. Students who exceed the maximum time frame number of credits allowed for their programs will no longer be eligible for financial aid. The Financial Aid office shall inform students in writing of the results in a change of status from each satisfactory progress review when the student does not meet standards or if the student previously did not meet standards and now does. The loss of financial aid through maximum timeframe may be appealed through the Financial Aid office and must be accompanied by a degree plan signed by the academic advisor.

## **B. QUALITATIVE AND QUANTITATIVE STANDARDS**

All students must maintain a minimum cumulative and session GPA of 2.00. In addition, recipients of financial aid must complete 67% of their cumulative and semester registered credits. Students who do not meet these minimum standards will be placed on warning.

Once a student is on warning status due to a low GPA, it is the student's responsibility to contact a student services advisor to discuss their warning status, establish academic goals, and successfully complete the one-credit College and Career Success course (LA 100) that is mandatory for all full-time students on academic warning.

NOTE: Students who attempt but do not earn any credits during any semester of attendance will be immediately suspended from financial aid and may contact the Financial Aid office to explore an appeal.

## **C. REINSTATEMENT OF WARNING STATUS STUDENTS**

Warning status students will be strongly encouraged to enroll in no more than 12 credits (or minimum full-time enrollment) while they are on warning. If a warning status student meets the session and cumulative 2.0 GPA and/or the 67% course completion rate standard by the end of their warning status semester, they will be reinstated to good academic standing and financial aid eligibility.

## **D. SUSPENSION OF WARNING STATUS STUDENTS**

Warning status students who fail to meet the session and cumulative 2.00 GPA and/or the 67% course completion rate standards (financial aid recipients only) by the end of a warning semester will be suspended from financial aid. (See Appeal Process - Part VI.)

## **E. CONTINUATION OF WARNING STATUS**

Students on academic warning status who have earned a 2.00 GPA for the classes in which they were enrolled during their warning status semester, but have not yet achieved a cumulative 2.00 GPA, will remain on warning status. Financial aid recipients will be suspended each semester until the standards are met. (See D above.)

If the Financial Aid office determines that it will not be possible for a student to meet the cumulative GPA and cumulative course completion rate standards before they reach the maximum timeframe allowed for the program for which they are receiving financial aid, the students shall be suspended from financial aid.

## **F. PROBATION STATUS - REINSTATEMENT OF STUDENTS WHO SUCCESSFULLY APPEAL**

Students who have not achieved satisfactory progress and are suspended academically or from financial aid have the right to submit an appeal based on extenuating circumstances. Individual appeals will be reviewed by an Academic Standards Review Committee. The College will communicate results from the review process to students in writing, informing them of their appeal status and the duration of the appeal period. Students requesting an appeal will be required to develop a degree plan with a Spoon River College advisor. In order to maintain academic and financial aid eligibility, a student on probation status must strictly and successfully follow the degree plan. Any deviation from the plan will result in academic and financial aid suspension.

- **Academic Appeals:** At the end of the semester for which the student was granted an academic appeal, a student who has met the minimum agreed upon academic standards for that semester shall have his/her appeal status extended for an additional semester. A student who fails to meet the minimum agreed upon academic standards during the semester of appeal shall be removed from appeal status and will be academically suspended. The student has the option to pursue another appeal. (See Part VI.)
- **Financial Aid Appeals:** Students on a financial aid appeal cannot have their appeal extended if they meet academic standards for the semester that they are on appeal. The student will need to submit another appeal for the semester. (See Part VI.) A student who fails to meet the minimum agreed upon academic standards during the semester of appeal shall be removed from appeal status and will be suspended academically, and his/her financial aid eligibility shall be suspended. The student has the option to pursue another appeal. (See Part VI.)

### V. NOTIFICATION

At the end of each semester, the College will send written notices to inform those students who have been placed on warning status or suspension and to explain the appeal process. This notice will refer the student to the Satisfactory Academic Progress Policy in the online student handbook, as well as the form that the student is required to use to file an appeal.

### VI. APPEAL PROCESS

Students who have not achieved satisfactory progress and are suspended academically and/or for financial aid have the right to submit an appeal based on extenuating circumstances. Extenuating circumstances that could affect a student's academic progress might include, but are not limited to, the death of a close relative of the student, an injury or illness of the student or close relative of the student, or other circumstances beyond the student's control.

- A. An appeal must be written on the required form and submitted to the financial aid office. Appeal forms are available in the student services areas, financial aid offices, as well as on the spoon river college web page.
- B. The appeal must include an explanation of the circumstances that affected the student's academic progress. The petition must also include supporting documentation, beyond the written explanation, which might include a letter from a counselor, physician, or faculty member.
- C. **Appeals from students with academic suspensions will be reviewed by the academic standards review committee. This committee consists of: 1) an academic dean, 2) director of enrollment services, 3) director of financial aid and 4) dean of student services (chair), or their designees.**
- D. Students may request a formal appeal hearing, with the full committee, if they disagree with the appeal findings. The failure of students to appear at their appeal hearing shall not prevent the process from proceeding as scheduled.
- E. The academic standards review committee's decision on appeals will be communicated to students in writing and the decision will be final.

## VII. REINSTATEMENT

- A. Students who have met cumulative qualitative and quantitative requirements will immediately be reinstated to good academic standing and financial aid eligibility.
- B. Students whose appeals are approved will be reinstated for academic and financial aid eligibility but will be placed on warning status.
- C. It is possible for students to be reinstated for course registration but not for financial aid eligibility:
  - 1) Students whose appeals are approved by the Academic Standards Review Committee may be reinstated to register for classes but remain suspended regarding financial aid eligibility. Students who disagree with this decision may initiate a formal appeal process with the Academic Standards Review Committee.
  - 2) After not attending the College for the following Fall or Spring semester, students may be reinstated to the College for registration purposes only. Neither paying for their own classes nor sitting out a longer period of time is sufficient in and of itself to re-establish a student's financial aid eligibility.

Students whose financial aid eligibility has been suspended may regain their eligibility only through the institution's appeal process or when they again meet the institution's financial aid satisfactory academic progress qualitative and quantitative standards.

## VIII. ADDITIONAL ELEMENTS

### A. Treatment of Grades

Credits for Spoon River College courses that award grades of A, B, C, D, & S (satisfactory) are considered to be successfully completed for the purposes of calculating the number of credits completed. Grades of I (incomplete), IP (in progress), W (withdrawal), F, FA (failure due to poor attendance), and U (unsatisfactory), are considered as credits attempted but not successfully completed. AU (audit) courses are not counted.

### B. Other Course Performance Standards

Repeated courses, course withdrawals, "pass" grade status, awards of "no credit," and credits overridden through the Academic Amnesty Policy will be counted towards the maximum allowable credit limit of 150% of the program's prescribed credits. Note: credits overridden by the Academic Amnesty Policy are still assessed when determining financial aid eligibility within the guidelines of the College's satisfactory progress policy.

### C. Audited Courses

Audited courses do not count as credits attempted or credits earned and are not funded through financial aid.

### D. Consortium Credits

Consortium credits (when Spoon River College is the "home" campus) will be evaluated under this policy. A copy of the academic transcript from the "visiting" campus is required upon completing the enrollment period. The transcript will be used to evaluate the student's academic progress by reviewing the grade point average, completion percentage, and maximum timeframe.

### **E. Developmental Course Credits**

Developmental college coursework (below the 100 course-number level) is included in the qualitative and quantitative processes for financial aid eligibility under this policy. Students are allowed up to 30 credits. The courses are included for the maximum timeframe calculation.

### **F. Repeated Courses**

Students are allowed to repeat a course for the purpose of achieving satisfactory academic progress or to upgrade their skills due to changes in curriculum. In addition, financial aid can be awarded to students to repeat one attempt of successfully completed courses (D or above). Repeated courses will count towards the maximum allowable credit limit of 150% of the program of study. The most recent grade will be used to calculate the grade point average. (All grades will be used in the financial aid grade point average calculation.)

### **G. Transfer Credits**

Transfer credits accepted by Spoon River College shall be counted as credits attempted for the calculation of the cumulative completion percentage, and the grades associated with these credits shall be used in calculating a cumulative grade point average. Transfer credits accepted by Spoon River College and applied towards a student's general education, program, and degree requirements shall apply towards the pace of progression and the maximum timeframe calculation.

### **H. Withdrawal**

Withdrawn credits are considered as "credits attempted" for the purposes of monitoring financial aid satisfactory academic progress. Thus a "W" does not affect grade point average but does negatively impact the cumulative and term course completion percentage (pace of progression) and the maximum timeframe standards used by the Financial Aid office.

### **I. Change of Major Or Change In Academic Plan**

For financial aid purposes, students will be allowed one change in their major. Students on probation must seek an appeal to change their academic plan.

## SPOON RIVER COLLEGE TRANSCRIPTS

The College will release transcripts of academic records only upon the written request of the student and providing that all financial obligations are cleared. Transcripts may be sent to employers regardless of outstanding financial obligations to the college and will be sent directly from SRC to the employer. [SRC Transcripts](#) may be ordered online. Telephone requests will not be honored.

## COLLEGE TRANSFER CREDIT

Credit will be granted for bringing in courses at the 100 level or above taken at other accredited institutions in which a student has earned a grade of “C” or better. A student must have a current application on file and complete a Request for Transcript Evaluation form (available at the Admissions office, advising office, or any off-campus site) before the transcript will be evaluated and credits accepted. Official transcripts and the completed Request for Transcript Evaluation form should be sent to the Admissions and Records office.

*Cumulative grade point averages* will be computed both on credits earned at Spoon River College and those accepted by transfer. The combined cumulative grade point average of “C” or higher will be required for graduation from Spoon River College. Lower division credits from accredited colleges or universities will be accepted in transfer, regardless of whether a similar class is offered by Spoon River College. Upper division credits are accepted in transfer only if a comparable course is offered by Spoon River College at the lower division level or only as elective credit.

## CREDIT FOR COLLEGE LEVEL EXAMINATION PROGRAM

Spoon River College recognizes undergraduate achievement as measured by both the general and subject examinations of the College Level Examination Program (CLEP). Scores may be submitted to Admissions and Records for evaluation, and if the level of achievement is at or above the minimum standards and score levels established by the College, credit may be granted. Regardless of the number of hours earned through CLEP, the student must meet the College’s residency requirement for graduation.

## INTERNATIONAL BACCALAUREATE CREDIT

Students who have completed IB coursework and assessments may be eligible to receive college credit and placement into advanced courses at Spoon River College by demonstrating proficiency in various subject areas. Official IB transcripts with exam scores must be sent directly from the International Baccalaureate Organization to the Director of Enrollment Services/Registrar at Spoon River College for evaluation.

Eligibility to receive credit for equivalent coursework will be determined by the Director of Enrollment Services/Registrar based on student exam scores on the IB assessment. In subject areas for which Spoon River College does not have an equivalent course, elective credit may be granted.

## ACADEMIC CREDIT FOR MILITARY SERVICE

Certain experiences in military service may be submitted to the Director of Enrollment Services for evaluation. Coursework applicable to a Spoon River College curriculum which was taken through the Defense Activity for Non-Traditional Education Support (DANTES) or under the United States Armed Forces Institute (USAFI) may be given credit provided the course is recommended by the American Council on Education. An official Joint Services Transcript (JST) and a request for evaluation are required. Submit official transcripts of satisfactory completion of the work to Admissions and Records.

Credit for four semester hours of physical education will be awarded to members or former members of the U.S. Armed Forces who have completed six months or more of active duty and have been honorably discharged. The student must provide the Financial Aid office with a request for this credit and a copy of their separation papers (Form DD214).

## CREDIT FOR PRIOR LEARNING

Students with a variety of experience may develop a portfolio of professional experiences in order to apply for course credit. This portfolio is a collection of samples of previous work which would document learning, and must indicate that the student has met all objectives of the course in order to receive credit. This determination will be made by the faculty member responsible for the course.

Approved credit through this process will be posted to the student's transcript after a minimum of fifteen (15) credit hours toward a degree have been earned at the College. Twenty five percent of the required credits must be completed prior to awarding credit for prior learning to certificate seeking students.

A student interested in this credit should contact the Dean of the division responsible for the course.

## CREDIT TRANSFER GUARANTEE

Students planning to transfer to a college or university after completing their work at Spoon River College may discuss the Credit Transfer Guarantee with their advisor. Provided the student knows the college or university to which he or she hopes to transfer, the major in which he or she will enroll, performs at "C" level or better, and is accepted into the college of his/her choice, Spoon River College will guarantee the transferability of credits taken or will return tuition paid for those articulated courses which do not transfer.

## CAREER AND TECHNICAL PROGRAM GUARANTEE

In meeting the needs of the workplace with highly skilled graduates, Spoon River College will warrant the technical competence needed for entry-level employment in the career and technical field in which a student completes an Associate in Applied Science degree or career and technical certificate. Under this guarantee, a program graduate who is determined deficient in the technical skills specified in the course syllabi for the program will be provided up to nine semester credit hours of tuition-free retraining. For more information contact the Dean of Career and Workforce Education.

## TRANSFER SERVICES

### TRANSFEROLOGY

Transferology is a nationwide network designed to help students explore their college transfer options. Transferology is a free web service available to assist students and academic advisors in planning a course of study and to provide detailed information on how courses and degree programs transfer between Illinois institutions. Transferology also provides a planning guide, information on academic programs, and course equivalencies. [SRC Transcripts](#) may be ordered online.

### ITRANSFER

[iTransfer](#) is a free website designed to give students information on the transfer process in the State of Illinois. The site provides information regarding the types of transfer, the transfer process, and resources available to students. It also provides information regarding the Illinois Articulation Initiative (IAI) and course transferability from one participating Illinois college or university to another. For more information, see an advisor or visit the [iTransfer](#) website.

## ILLINOIS ARTICULATION INITIATIVE (IAI)

Spoon River College participates in the Illinois Articulation Initiative, a statewide agreement that allows transfer of the completed Illinois General Education Core Curriculum between participating institutions. Completion of the transferable General Education Core Curriculum at any participating college or university in Illinois assures transferring students that lower-division general education requirements for an associate or bachelor's degree have been satisfied.

This agreement is in effect for students entering an associate or bachelor's degree-granting institution as a first-time freshman. Students in AA and AS degree programs must select general education courses with IAI codes. The following codes identify qualifying general education courses:

<u>CODE</u>	<u>COURSE TYPE</u>
• IAI C	Communications
• IAI H	Humanities
• IAI M	Mathematics
• IAI S	Social Services
• IAI F	Fine Arts
• IAI L	Life Sciences
• IAI P	Physical Sciences

## COMPLETION OF GENERAL EDUCATION CORE CURRICULUM

Under the following circumstances, institutions should offer transfer students the option of satisfying lower-division general education requirements by completing a GECC curriculum while enrolled in the receiving institution:

- when the transfer student has completed a statewide articulated associate degree or
- when the transfer student has completed 30 semester hours of transfer credit without having completed the GECC.

## ONLINE COURSE EXCHANGE (OCE)

This is an agreement that Spoon River College has with Illinois Community Colleges Online (ILCCO), which is an organization of several other accredited community colleges within Illinois that offer online learning. If you would like to take a specific course online and Spoon River College does not offer it, ask your advisor to search the OCE course listings to see if the course is available at a partnering institution.

## REGISTRATION POLICIES

Currently enrolled students are given the opportunity to register early. Notification of times of open registration sessions are published on the College website. Students may register online or face-to-face with their advisor. Enrollment in classes will conform to the academic prerequisites as stated in the College catalog unless waived by the instructor and the appropriate Dean.

## SCHEDULE ADJUSTMENTS

### Registration – Final Add Date

Students may add a course to any session prior to the first class meeting date.

Courses that are added after the tuition deadline date will need to be paid for immediately, have the tuition deferred against remaining finalized financial aid eligibility, or paid by arranging for an installment payment plan with [Nelnet Business Solutions](#) (NBS).

### DROPPING COURSES

Students who have already registered are able to change their schedules without penalty during the first five business days of the regular 16-week semester. They may drop courses online at MySRC, or they may meet with their advisor once classes have started.

Currently enrolled students may drop courses from their schedule for the first five business days of classes for a class that runs nine to sixteen weeks in duration, for the first five business days of classes for a class that runs five to eight weeks in duration, and for the first day, but prior to the second day, for a class that runs four weeks or less in duration. Courses dropped during this period will result in a removal of tuition charges, a 100% refund of paid tuition, and an adjustment of financial aid awards. Courses cannot be dropped after the final drop date. Students can withdraw from classes with no refund. A "W" will appear on their academic transcript.

### DROP FOR LACK OF ATTENDANCE OR ENGAGEMENT

Students referred by Spoon River College faculty to the financial aid department and/or the registration department for a lack of course attendance or engagement (on-line classes) within the first five business days of the semester may be dropped from the course. Tuition will be refunded and financial aid awards will be adjusted.

### ADDING, DROPPING, WITHDRAWING, AND COMPLETE WITHDRAWALS

After the final drop date, (which is the first five business days of classes for a class that runs nine to sixteen weeks in duration, or for the first five business days of classes for a class that runs five to eight weeks in duration, or for the first day, but prior to the second day, for a class that runs four weeks or less in duration,) students who wish to withdraw from a course(s) must receive official authorization from Admissions and Records as described in the procedures listed below. Students are liable for all adjustments of tuition and fee payments.

### DEFINITIONS

It is the student's responsibility to officially withdraw from the class.
- *Complete withdrawal from college:* If a student elects to discontinue all of their studies within an academic term, he or she must officially withdraw from Spoon River College.

### WITHDRAWAL PROCEDURES:

#### *Class Withdrawal:*

Students wishing to withdraw from one or more courses must initiate and notify an advisor to complete the official withdrawal form. Students may notify their advisor via email, phone or in person. The advisor will ensure that the student is aware of any services available to them. The student will obtain the necessary signatures from faculty and financial aid and forward the withdrawal form to his or her academic advisor. The financial aid office will make necessary adjustments. Students who do not officially withdraw from a course may receive a grade of "F".

#### *Complete Withdrawal:*

Students wishing to completely withdraw from the College must initiate and notify an advisor to complete the official withdrawal form. Students may notify their advisor via email, phone or in person. The advisor will ensure that the student is aware of any services available to them. The student will obtain the necessary signatures and forward the withdrawal form to his or her academic advisor. The financial aid office will make necessary adjustments. Students who do not officially withdraw from the College may receive grades of "F" in all of their courses. Any student who is totally withdrawing from college may receive a "W" in all courses. The Dean of Student Services or designee may initiate the official complete withdrawal administratively with extenuating circumstances or when the situation warrants such action.

### AUDITING CLASSES

Students can enroll in a course as an auditor provided there is space available in the section. Students taking a course for credit will be given priority enrollment over a student enrolling as an auditor. The auditor pays the regular per credit hour tuition rate and is expected to meet course requirements. The auditor receives no grade or credit upon completion of the course. An auditor may not change their status to that of a credit student after the schedule adjustment period. Audit status is not eligible for financial aid.

A student may change a credit course to that of an audit by informing Admissions and Records in writing of the change prior to the official withdrawal date.

## CLASS CANCELLATIONS

A list of classes cancelled by instructors who have notified the appropriate campus/center staff is available in the [MySRC student portal](#).

Some instructors may choose to notify their students of class cancellations by using either e-mail or the announcement tools on Canvas. Please be sure to check your Spoon River College student e-mail and Canvas account for any messages from your instructor(s).

## PLACEMENT TESTING/OTHER TESTING

Placement testing criteria measures reading level, math proficiency, and writing skills. The tests are utilized to promote student success in college and place the student into courses where they can reach their potential and achieve their educational goals. SRC accepts ACT, SAT, Accuplacer, and previous college course credit to determine placement. SRC will also review GED® College-Ready scores, high school GPA and math courses to assist in placement determination. If a student's GED® College-Ready scores, ACT/SAT scores, high school GPA/math courses, and previous college coursework do not meet placement requirements, completion of the Accuplacer test will be required prior to registration. Transfer students who have evidence of successful completion of reading, writing, or math courses at another institution may be exempt upon transcript verification.

Placement testing takes place on all SRC sites. Call the campus for specific times and schedules.

Other testing at SRC includes the TEAS Nursing Entrance test, which is required prior to being considered for the nursing program and the NLN-ACE Mobility test, which is given prior to admission to the Associates Degree of Nursing program in the second year.

Students must request this evaluation by filling out the Request for Evaluation of College or Military Transcript form (available at the advising office on the Canton campus or the business office on the Macomb campus, and at the Havana and Rushville Centers). The records department also audits the students who have petitioned for graduation. The department maintains student records for current and graduated students.

Students may also meet with their advisor for assistance. The academic calendar dictates available registration for fall, spring, and summer schedules. Registration can be completed on any campus, in person, or online.

## FINANCIAL AID

### FINANCIAL AID DISBURSEMENT

Grant and scholarship aid is usually credited to a student's account by the fifth week of the semester. Student loan funds are disbursed after the 30<sup>th</sup> day of the semester.

### TYPES OF STUDENT FINANCIAL AID

#### FEDERAL GRANTS AND LOANS

##### Federal Pell Grant

The Federal Pell Grant is the primary federal student aid program. It is awarded to students on the basis of financial need and does not have to be repaid. Funds received from the Federal Pell Grant may be used for all legitimate educational expenses, including tuition, fees, and related living expenses. This grant is renewable, dependent on continued financial need and meeting Standards of Academic Progress. Students have a limited Pell lifetime eligibility maximum equivalent to 12 semesters of full-time awards.

##### Federal Supplemental Educational Opportunity Grant (FSEOG)

The FSEOG Grant is gift-aid for undergraduates with exceptional financial need. Federal Pell Grant recipients with the lowest estimated family contribution (EFC) will be the first to get FSEOGs, which do not have to be paid back. Minimum enrollment of six (6) credit hours is required to maintain eligibility for this program. Students must also meet Standards of Academic Progress to maintain eligibility.

##### Federal Work-Study Program (FWS)

A limited number of part-time jobs in various departments throughout the College are available to Spoon River College students. Information from the FAFSA is used to determine eligibility for work through this program. Students are paid at least the federal minimum wage for up to 20 hours per week of work, depending on their need and the type of work available. Minimum enrollment of six credit hours is required to maintain eligibility for this program during the Fall and Spring semesters. Student enrolled in one course for the Summer semester could be eligible. Students must also meet Standards of Academic Progress to maintain eligibility. Applications for the [Federal Workstudy Program](#) are available online.

### Federal Direct Student Loan

This is a loan program whereby students may borrow money for educational expenses. A minimum enrollment of six credit hours is required to maintain eligibility for this program, and student must also meet Standards of Academic Progress. The interest rate is fixed, and repayment begins six months after the student either graduates or ceases to be enrolled at least half-time. Students are required to complete entrance counseling prior to loan funds being certified. Freshman students (0-29 credit hours completed) may borrow up to \$3,500 of subsidized loan funds for the 2022-2023 academic year. Sophomores (30 or more credit hours completed) may borrow up to \$4,500 of combined subsidized and unsubsidized loan funds plus \$2,000 additional Direct Unsubsidized for dependent students and \$6,000 additional Direct Unsubsidized for independent students for the 2022-2023 academic year. There are two types of loans available:

- *Subsidized Loans:* Based on financial need. The government pays the interest while the student is enrolled in college.
- *Unsubsidized Loans:* Not based on financial need. The student either has to pay the interest or have it capitalized while in college.

### IMPORTANT INFORMATION ABOUT LOANS

Students must have completed a FAFSA and submitted all forms required for processing prior to loan eligibility being determined. Potential borrowers must meet the loan eligibility requirements. All loans are required to be disbursed in two separate disbursements.

Disbursement dates will be displayed on the disclosure statement provided by the Direct Loan Servicing Center. Any loan funds remaining after charges on the student account have been covered will be issued to the student's selected refund option.

### STUDENT LOAN REPAYMENT OPTIONS

The Direct Loan Program offers loan repayment plans designed to meet the needs of almost every borrower. Direct Loans are funded by the U.S. Department of Education through Spoon River College and are managed by the Direct Loan Servicing Center, under the supervision of the Department of Education. The Direct Loan Program allows you to choose your repayment plan and to switch your plan if your needs change.

Direct Loan borrowers may choose from the standard, extended, graduated, income contingent, or income-based repayment plans.

- *Standard Repayment:* With the standard plan, you will pay a fixed amount each month until your loans are paid in full. Your monthly payments will be at least \$50 and you'll have up to 10 years to repay your loans.
- *Graduated Repayment:* With this plan your payments start out low and increase every two years. The length of your repayment period will be up to ten years. If you expect your income to increase steadily over time, this plan may be right for you. Your monthly payment will never be less than the amount of interest that accrues between payments. Although your monthly payment will gradually increase, no single payment under this plan will be more than three times greater than any other payment.
- *Income Contingent Repayment:* This plan gives you the flexibility to meet your Direct Loan obligations without causing undue financial hardship. Each year, your monthly payments will be calculated on the basis of your adjusted gross income (AGI, plus your spouse's income if you're married), family size, and the total amount of your Direct Loans.

## 2022 – 2023 Student Handbook

- *Income-Based Repayment:* Under this plan the required monthly payment will be based on your income during any period when you have a partial financial hardship. Your monthly payment may be adjusted annually. The maximum repayment period under this plan may exceed 10 years. If you meet certain requirements over a specified period of time, you may qualify for cancellation of any outstanding balance of your loans.
- *Pay as You Earn Repayment (PAYE Plan):* Based on your income and family size, you will generally repay 10% of your discretionary income per year with payments adjusted annually. Your payment will never exceed the payment amount for the 10-year Standard Repayment Plan amount. Under the PAYE Plan, you will have 20 years to repay your loans.
- *Revised Pay as You Earn Repayment (REPAYE Plan):* Based on your income and family size, you will generally pay 10% of your discretionary income. Under the REPAYE Plan, you will have 20 years to repay your loans if all were received for undergraduate study and 25 years if any loans were received for graduate or professional study.

### Sample Repayment Schedule Standard Repayment - 6% Interest Rate

Amount Borrowed	Monthly Payment for 10 Years	Total Amount Repaid
\$10,000	\$115	\$13,810
\$15,000	\$173	\$20,714
\$20,000	\$230	\$27,619

### FEDERAL DIRECT PLUS LOAN PROGRAM

Federal Direct PLUS loans are non-need-based loans which provide money to qualified parents of dependent undergraduate students enrolled in at least a half-time basis (6 or more credit hours). A parent may borrow up to the difference between the cost of attendance and other financial aid received, per academic year, per student. Eligibility for PLUS loans is based on credit approval. Repayment begins shortly after funds are disbursed. The repayment period is up to ten years. Students must meet Standards of Academic Progress for parents to be able to borrow a PLUS loan on their behalf. PLUS loans are required to be disbursed in two disbursements. Disbursement dates will be displayed on the disclosure statement provided by the Direct Loan Servicing Center. Any loan funds remaining after charges on the student account have been covered will be mailed to the parent borrower at the address provided on the loan application.

### STATE OF ILLINOIS FUNDED GRANTS

#### *Illinois Student Assistance Commission (ISAC) Monetary Award Program (MAP) Grant*

This award program is based on financial need and is applicable for tuition and fees, excluding lab fees (from 3 through 15 credit hours per semester) of undergraduate work. Students may receive up to 135 MAP Paid Credit Hours, which is equivalent to approximately four and a half years of full-time enrollment. Spoon River College will apply estimated MAP grant awards to students' accounts when funding is received from the State of Illinois. MAP payment is dependent on the State of Illinois budget process and approval of an allocation

by the Illinois General Assembly. Application for the award is made on the FAFSA form and by providing the appropriate information. Students should apply early as state funding is limited and has been exhausted before March in recent years. The MAP grant may not be used during the summer session.

## **TIMELY WARNING PROCEDURE**

In the event that a situation arises on or off campus that the College determines is an ongoing or continuing threat, a College-wide “timely warning” may be issued per requirements of the Jeanne Clery Act. Initial notification will occur through the College web page.

Timely warnings are usually issued for the following classifications:

- arson
- burglary
- robbery
- aggravated assault
- criminal homicide
- sex offenses
- any other emergency as deemed necessary.

Depending on the particular circumstances of the threat, especially in situations that pose an immediate or on-going threat to the College community and individuals, a copy of the notice may be posted on-campus throughout the Campuses and Centers of Spoon River College.

Anyone with information warranting a timely warning should report the circumstances to the Vice President or the Dean of Student Services.

## **EMERGENCY NOTIFICATION**

Spoon River College uses an emergency notification to notify students and employees in a timely manner when it is determined that there is a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus. The notification to the campus community may contain only the information that is reasonably necessary to promote the safety of the campus community as dictated by the situation. An emergency notification will be released as soon as reasonably necessary and without delay, unless notification will compromise efforts to assist a victim, or to contain, respond to, or otherwise mitigate the emergency. After the initial notification, follow-up information may be disseminated to the College community via e-mails, web site postings, and other communication media.

An emergency notification can be related to criminal activity that is not subject to the timely warning standard required by the Clery Act. In addition, there may be notifications made for circumstances that are not necessarily related to criminal activity. Examples of situations that may constitute the College’s decision to issue an emergency notification include, but are not limited to, situations where serious injuries may or have occurred, or situations that cause major disruption to campus operations.

## SEXUAL ASSAULT PREVENTION AND RESPONSE

Spoon River College educates the student community about sexual assaults and dating safety through student activity programming and a variety of communication tools (Spoon View, SRC Informant, Student Handbook, and Activity Fair).

If you are a victim of a sexual assault at Spoon River College, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. Spoon River College strongly advocates that a victim of sexual assault reports the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a College security officer and/or a College representative. Filing a police report with local law enforcement will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim,
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam), and
- ensure that a victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

Various counseling options are available to victims of sexual assault:

- WIRC- Fulton County call 309-333-1934
- WIRC- Victim Services Macomb call 309-836-2148
- Mason County (Havana) Prairie Center Against Sexual Assault (Springfield) call 217-753-8081
- Mason County Memorial Behavioral Health call 800-526-0844
- Schuyler County (Rushville) Quanada Sexual Assault Program (Quincy) call 800-369-2287 or (Rushville) call 217-242-3889
- National Sexual Assault Hotline call 800-656-HOPE (800-656-4673)

Spoon River College disciplinary proceedings, as well as special guidelines for cases involving sexual misconduct, are detailed in the [Student Handbook](#). The handbook provides, in part, that the accused and the victim will each be allowed to choose a person to accompany them throughout the incident review process. Both the victim and accused will be informed of the outcome of the hearing. A student found guilty of violating the College Sex Discrimination, Sexual Misconduct, and Interpersonal Violence policy (Title IX) may be criminally prosecuted in the state courts and may be suspended or expelled from the College for the first offense. Student victims have the option to change their academic schedule after an alleged sexual assault, if such changes are reasonably available.

NOTICE: Information on sexual offenders that reside in Illinois can be found online in the [Illinois Sex Offender Registry](#).

SRC utilizes ACT, SAT, Accuplacer, GED® College-Ready scores, and previous college course credit to determine placement. SRC will also review high school GPA and math courses to assist in placement determination. If a student's ACT/SAT scores, high school GPA/math courses, and previous college coursework do not meet placement requirements, completion of the Accuplacer test will be required prior to registration.

- Other testing at SRC includes TEAS Nursing Entrance exam and NLN-ACE Mobility test for nursing students.
- Career Coach is one of several free career and job placement services available to help students focus on careers that best fit their abilities and interests. This service is available by contacting the Canton or Macomb campus for an appointment.
