#### INDEPENDENT AUDITORS' REPORT

The Board of Directors
Spoon River College Foundation

#### Report on the Financial Statements

We have audited the accompanying financial statements of Spoon River College Foundation (a not-for-profit corporation), which comprise the statement of assets, liabilities and net assets – cash basis as of June 30, 2015, and the related statement of activities – cash basis for the year then ended, and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets – cash basis of Spoon River College Foundation as of June 30, 2015, and the changes in its net assets – cash basis for the year then ended in accordance with the cash basis of accounting described in Note 1.

## **Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

#### **Other Matters**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information included in Schedule 1 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is stated fairly in all material respects in relation to the financial statements as a whole.

Peoria, Illinois December 16, 2015 Soulon, Stockman + Waugh, P.L.

Notes to Financial Statements June 30, 2015

## Note 1. Summary of Significant Accounting Policies

Organization: The Foundation is organized under the General Not-For-Profit Corporation Act of the State of Illinois to support the general welfare of Spoon River College by the solicitation and receipt of grants, endowments and other funds and the allocation of these funds to the College for educational, service, capital and other institutional needs.

<u>Basis of Accounting</u>: The financial statements of Spoon River College Foundation have been prepared on the cash basis. Consequently, certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred.

<u>Fund Accounting</u>: To ensure observance of limitations and restrictions placed on the use of resources available to the Foundation, the accounts of the Foundation are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group.

The assets, liabilities and net assets of the Foundation are reported in three self-balancing fund groups as follows:

Current unrestricted funds represent unrestricted resources available for support of the Foundation.

Current restricted funds represent resources restricted by the donor for a particular purpose. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities – cash basis as net assets released from restrictions.

Endowment funds (permanently restricted net assets) represent funds that are subject to restriction that gift principal be invested in perpetuity and that income only be used.

<u>Investments</u>: Investment securities are carried at cost. Gains and losses on disposition are based on the net proceeds and the carrying amount of the securities sold, using the specific identification method.

<u>Income Taxes</u>: The Foundation has been determined to be exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

The Financial Accounting Standards Board issued guidance on accounting for uncertainty in income taxes. Management evaluated the organization's tax positions and concluded that the organization had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance.

<u>Subsequent Events</u>: Management has evaluated subsequent events and transactions for potential recognition or disclosure through December 16, 2015 which was the date the financial statements were available to be issued. No items requiring disclosure were present.

Notes to Financial Statements June 30, 2015

#### Note 2. Investments

Assets of the fund groups are pooled for investment purposes. Cash and investments as of June 30, 2015, are composed of the following:

		Cost		Market <u>Value</u>
Cash and cash equivalents	\$	507,745		507,745
Certificates of deposit		112,446		112,446
Mutual funds		8,988		8,670
Common stocks		848,599		1,139,658
Preferred stocks		17,653		18,619
Fixed income securities	_	607,546	_	601,250
	\$ _	2,102,977	_	2,388,388
Investment income is comprised of the following:				
Interest and dividends			\$	57,529
Realized gains				2,255
Fees charged			_	(14,742)
			\$	45,042

#### Note 3. Temporarily Restricted Net Assets

Temporarily restricted net assets represent contributions and interest earned which are purpose restricted for scholarships or other institutional purposes. Net assets released from donor restrictions in the current year were in satisfaction of purpose restrictions.

#### Note 4. Endowment

In 2008, The Financial Accounting Standards Board, (FASB) issued Staff Position No. FAS 117-1, Endowments of Not-For-Profit Organizations: Net Assets Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutions Fund Act, and Enhanced Disclosures for All Endowment Funds (now referred to as FASB ASC958-205 subsections). This FASB Staff Position (FSB) provides guidance on the net asset classification of donor-restricted endowment funds for a not-for-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds

Notes to Financial Statements June 30, 2015

### Note 4. Endowment (Continued)

Act of 2006 (UPMIFA). UPMIFA is a model act approved by the Uniform Law Commission (ULC; formerly known as the National Conference of Commissioners on Uniform State Laws) that serves as a guideline for states to use in enacting legislation. The FSB also improves disclosures about an organization's endowment funds (both donor-restricted endowment funds and board-designated endowment funds), whether or not the organization is subject to UPMIFA.

As of June 30, 2014, the Foundation's endowment consists of 43 individual funds established for a variety of purposes. The endowment is comprised of donor-restricted funds. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

#### Interpretation of Relevant Law

The Foundation's board of directors has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor restrictions to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of the gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. Investment income is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standards of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Foundation and the donor-restricted endowment
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation on investments
- Other resources of the Foundation
- The investment policies of the Foundation

During the year ended June 30, 2015, investment income of \$42,495 was recorded as temporarily restricted and \$32,956 was appropriated for expenditure.

Notes to Financial Statements June 30, 2015

#### Note 5. Transfers

Transfers from temporarily restricted to permanently restricted represent accumulated donor contributions which have reached the minimum amount of \$10,000 required to establish an endowment. With the consent of the donors, the contributions do not become permanently restricted until the total contributions amounts to \$10,000. There were no transfers for the year ended June 30, 2015.
