Senior Office Assistant

Dear Students (and Parents!),

Congratulations on considering beginning your college education with a dual credit course through Spoon River College. Not only will taking a college-level course now benefit you in the short term, but taking dual credit courses while you are in high school will help you earn college credit at a price that your future self will thank you for!

Attached to this letter is an application for a dual credit scholarship through the SRC Foundation for the Fall 2024 semester. Please note that, to qualify, you'll need to complete **every** field and, if you haven't already, apply for admission to SRC. **The application is due by the close of business on June 1, 2024**, after which, recipients will be chosen, pending the number of applicants and the availability of funds. We will notify you by mail either way as soon as possible once the recipients are selected. We anticipate recipients will be selected by June 21, 2024.

Note that, unless otherwise specified, a dual credit scholarship may only be used for tuition and not books, fees, or other expenses incurred. In addition, the scholarship can only be awarded in the semester in which the SRC grade is awarded. If you are taking a year-long course, you are only eligible to apply for a scholarship for the spring semester for that course. However, if you are taking other courses that are fall-only, you may be considered for those as well.

If you would like to learn more about the SRC Foundation, [please visit our website at www.src.edu/foundation](http://www.src.edu/foundation). Or feel free to contact us at any time at (309) 649-6260. If you have questions specific to dual credit education, please contact Sarah Fouts at (309) 649-6221.

Again, congratulations on considering dual credit education at SRC! We are confident that you will have a great experience with us, and we hope that you'll consider more classes with SRC in the future!

Sincerely,

Curt Oldfield  
President

***Education is the key to a successful future. The Spoon River College Foundation actively seeks resources to provide excellent educational opportunities at Spoon River College.***
