Spoon River College offers Veterans, military personnel and families many free programs and services. SRC offers professional, confidential, accessible, and brief solution-based therapy for students, free of charge, which is directed at helping students succeed in the college environment. When specialized, long-term services are needed, referrals to off-campus professionals may be made. SRC offers several free career and job placement services for students. SRC offers accommodations for qualified students with a documented disability. SRC has a Financial Aid Coordinator, located on the Canton Campus and a Financial Aid/Veterans Specialist located on the Macomb Campus. These staff members support Veterans with assistance in applying for and utilizing Federal and State Veteran benefits as well as completing the financial aid process. Bi-weekly newsletters are sent out to Veteran students at SRC. The newsletters provide Veteran students with current information about campus events, Federal and State aid programs and other helpful resources for the student and families.

Military reservists called to active duty while enrolled at Spoon River College prior to December 1 or May 1 may withdraw from all classes and the College will offer tuition credit for a future semester or refund the money to the funding agency, depending on the source of financing. Students must provide the Dean of Student Services with a copy of their orders to request withdrawals and ensure that proper credit is given. Military reservists called to active duty while enrolled at Spoon River College after December 1 or May 1 may have completed enough of the class so that the grade could be offered. An incomplete should be offered only on the possibility of a very short tour of duty (two to three weeks). If an incomplete is offered, and the student's tour goes beyond the deadline for the incomplete to be made up (nine weeks from the end of the semester), SRC will retroactively give the student a withdrawal rather than the automatic change to an "F" grade to protect the student.

Please indicate which accommodations are made for families of military personnel called to active duty during a term, semester or quarter.
