

Southern Illinois University's new AIM High/Saluki Transfer Commitment:

Who qualifies

Recipients must meet all of the following criteria:

- Be a first-time incoming transfer student enrolling full-time on-campus in the fall 2021 semester or later.
- Have a GPA of 2.0 (as calculated by SIU grading policies) with 12 or more transferable credits.
- Have an annual family income less than \$103,040 with assets less than \$50,000 based on your FAFSA.
- Be an Illinois resident who attended an Illinois high school.
- Be a dependent student under age 24.
- Be eligible for Federal financial aid.

You do not qualify if you have received a bachelor's degree or the equivalent of 135 semester credits, are in default on any student loan, or owe a refund or repayment on any state or federal grant or scholarship.

How to qualify (and stay qualified)

- Have a current FAFSA on file.
- Enroll in a bachelor degree program at SIU Carbondale.
- Stay enrolled full-time on-campus for four consecutive fall and spring semesters.
- Maintain satisfactory academic progress in order for the commitment to be renewed.

You do not need to submit additional information beyond your application and FAFSA to be considered for the AIM High/Saluki Commitment. If you qualify, we will automatically include it in your financial aid package, and you will be notified when you receive your package.

What's covered

Your tuition and mandatory fees will be covered after all other financial aid is applied. Coverage is guaranteed for four (transfer student) or eight (freshman student) consecutive fall and spring semesters over four years as long as you qualify and depending on continued state fund allocations. Funding is capped at 15 hours per semester. Total aid will not exceed the cost of tuition and mandatory fees, so if you receive additional offers in the future, your AIM High/ Saluki Commitment funding will be reduced accordingly.
