RE: Presidential Search Update

The Board of Trustees is pleased to share this brief Presidential search update on the search to identify the next President of Spoon River College.

Presidential Profile Development

We want to take this opportunity to thank everyone who attended the public forums on March 25, 2026, and thank everyone who took the time to complete the online survey. Your input was valuable in creating the draft Presidential Profile. This draft was reviewed and edited by the Presidential Search Committee on March 26, 2026, and later the draft President Profile was reviewed and approved by the Board of Trustees in a Special Meeting.

Presidential Profile: The Presidential Profile is now finalized and is located at:

The target date for applications is: April 28, 2026

As previously shared, the Board of Trustees anticipates all finalists visiting the College and interviewing with the Board in June. Each finalist will participate in public forums and all who attend the public forums will have the opportunity to share their feedback. This feedback will go directly to the Board of Trustees for their review and consideration. Details about the exact dates, times, and location will be forthcoming, once finalized
